GROUND BREAKING—John Connors, community hospital president, turns the first shovel of ground for the new Palm Springs hospital while Bob Bennett, recreational director, looks on. (Gayle Studio Photo.)

Work Started On Building For Hospital

Scheduled for completion early in 1951, Palm Springs District hospital was officially started last Monday when ground was broken for the new building on land recently acquired from the government, with Kenneth Kirk, president of the district, and John Connors, president of the Community Hospital, turning the first shovel-fuls of dirt.

The ceremonies took place on 7.85 acres of land donated to the Desert Hospital District by the United States government at 100 per cent discount.

TRANSFER OF the property also included 10 buildings among which are the former Torney General Hospital Post theater, library, building 139, former hospital admission building, the old non-commissioned officers' club and six buildings used during World War II for civilian employees.

Lewis R. Preston, superintendent of the former Torney General Hospital grounds for the U. S. Building Services handed the keys to the various buildings over to the local hospital officials.

President Kirk announced yesterday that the bids for the 38-bed hospital will be advertised May 15 and that they will be opened May 15.

CONSTRUCTION of the new hospital is scheduled to start sometime in July with the building expected to be ready for use around February 1, Kirk said.

According to plans drawn by See HOSPITAL, Page 8

There are sermons in stones, and even in Derbies. Good lessons do abound. Moderation is best. Just look at those folks Who took the Middleground.

(See note at end.)

May is almost gone but it has already lived up to its name. There's a saying in town that in any year there's always some time in May when you can turn on the heat. I did one morning early. Thus carrying on the tradition of May. Had an argument, of course, and the heat wasn't on long.

HIGHWAYS seem to be the big topic right now. Conky Conkwright came up with something constructive this week. Talk about a new road from Desert Hot Springs to Palm Springs. One that would eliminate the bad Garnet railroad crossing and allow people here a quick run to the hot wells at and around Desert Hot Springs. Great Saturday night traffic is anticipated. Del Sol road was opened officially. They cut the ribbon so many times to please the photographers that it looked as if someone had thrown a handful of confetti on the highway. Even if the scissors were so dull that they had to take several whacks at it. Don Maher was in the office just before taking off for the ceremony and I caught him going out of the door with my pet scissors. He doesn't know like members of The Sun staff do that lifting those scissors is the prime cause of much unprintable conversation.

AND HARRY OLIVER, naturally, has a new road in mind, too. Harry is really the man who started this Del Sol business. Away back in the 30s he had a map printed showing the highway extending far into the north. Oliver, pardon me, editor of the Desert Rat Scrap See THIS SIDE, Page 2

BENNETT TO TAKE OVER YOUTH CENTER JOB JULY 1

Important change in jobs was announced this week by Bob Bennett, recreational director for many years. He will step out of that position on May 31 and on July 1 will become director of Palm Springs Youth Center.

Russell Rink, city manager, said yesterday that a successor to Bennett as recreational director will be made within 10 days.

BENNETT WAS appointed to his new job during a meeting of directors of the Youth Center Saturday. It was revealed yesterday. He will assume his new duties July 1 succeeding Leslie Jackson director of the Youth Center for the past two years. Jackson was assisted by his wife in his work at the Teen Target. Bennett, who is believed by many to have established an enviable record as recreational director for the city, would give no other reason for his resignation from that job except to say: "The job at the Youth Center is a much better one, and that is all I have to say at this time."

COMMENTING on selection of Bennett as director of the Youth Center, Chairman of the Board of Directors Paul Summers said:

"Bennett was selected above others applying for the job because of his outstanding qualifications and experience, and he was the unanimous choice of the board."

Summers added that Mr. Jackson's resignation was brought about by the illness of his wife. It is understood that the couple will leave Palm Springs for Santa Barbara where Jackson will accept a position similar to the one he occupied here with the Youth Center.

To Meet May 17

May meeting of board of directors of Palm Springs Chamber of Commerce will be held May 17 at 10:30 a. m. at the Chamber conference room.

There was no further discussion on the golf subject but Arthur Meyer, president of the Hotel Men's Association arose with a petition in his hand to explain that more than 165 signatures on the document were in opposition to the plan.

IN THE CONTROVERSY that has raged over the number of stalls that would be necessary, Bill Grant, chairman of the convention, resigned that position last week. Frank Bogert, regional vice-president of the California Horseman's association this week intimated that Palm Springs would in all probability lose the convention to some other town. That other town, it was reported, was Stables.

See STABLES, Page 3

All Summer

Many Village firms, hotels and apartments have signified their intention of remaining open all through the summer. Others are requested to notify The Sun in order to be placed on the list. Those already on are: Palm House, Chi Chi, Shadow Mountain Club pool, Angel's Shadow Mountain Club, Tahquitz River apartments, Sage apartments, La Cita, Palm Springs Music, The Desert Sun, Kelley's Home Furnishings, Plaza Motors, Laurita Lodge, Twin Palms.

Summer Hours At Sun Office

Starting tomorrow the office of The Desert Sun, 174 North Palm Canyon drive (in The Center) will go on summer schedule. The office will be closed all day Saturdays and on week-days the hours have been changed from 8 a. m. to 5 p. m. to 9 a. m. to 4:30 p. m.

College, City Hall, Horses Debated Here

Final meeting of the Co-ordinating Council for the season held at the Racquet Club Tuesday under the co-chairmanship of Mayor Charles Farrell and Harold Hicks saw more than 22 heads of Village organizations present, all participating in debates that grew hot and heavy at times.

There was ample fuel for debate too which centered around the purchase by the city of the incomplete Sunset House on North Palm Canyon drive at a cost of \$75,000, and why the city council failed to vote the purchase of 200 horse stalls to be erected at the Polo Grounds for use by the scheduled California Horsemen's Association in October.

ANOTHER SUBJECT that drew considerable discussion was the creation of a Junior College to be located somewhere between Palm Springs and Indio and combining this unified school district area with that of Coachella.

It was revealed at the luncheon meeting too that Villagers and winter residents may have three 18-hole golf courses to play on by the time the next season rolls around.

"I understand," declared Mayor Farrell, "that in addition to the Thunderbird Country Club golf course, which I am told will be under construction this summer, two other courses are being contemplated."

See COUNCIL, Page 3

City Plans Enforcement Of Laws on Reservation

Survey Crew Starts Check On Violations

Insist on Adherence To Sanitary, Police And Building Codes

Enforcement of the city's health, sanitation and building codes under the newly enacted federal law 5310, will take place on the Indian Reservation within the next few days when a team of city and county officials make a tour of inspection.

This announcement, made by City Manager Russell Rink, followed an attempted meeting with members of the Agua Caliente Indian council, which resulted in the failure of any representative of that group to be present.

"JUST THE SAME," Rink said, "the team which will be composed of Fire Marshal Warren Heath, County Sanitarian Dr. O. B. McRory and City Building Inspector Pearl Swart, plan to bend over backward in explaining the law to those persons living in habitations in violation of state and local city laws."

However, Rink said the court-extended to these persons will be backed with an admonition that such violations of the health fire, building and sanitation laws will have to be corrected within 30 days, time permitted under existing legislation.

"We are aware of the fact that many of the persons that may be affected by the enforcement of these laws on the reservation are poverty-stricken," continued Rink.

IN THOSE CASES, Rink said, he would act on the suggestion of Riverside County Health Nurse Madge Holderman, and call county welfare authorities in where a financial burden would be imposed by the law on the occupants of any dwelling.

The plan of inspection as it stands now, said Rink, will see the team tour section 14 and where violations are found, the occupants or owners of the property will be given 30 days in which to make corrections. If this is not done, citations into court will eventually follow, said Rink.

SNIPPING THE ROPE—Mayor Charles Farrell, left, Harry Oliver, center, and Mayor C. A. Washburn of Indio, one of the many rope cutters at the Del Sol party last week. Oliver was there to boost for a continuation of the road making it a link in Highway 74 from the ocean to Joshua Tree National monument. (Willis Photo.)

Call Emergency Meeting on Plans For Sunset House

(Picture on Page Two)

Mayor Charles Farrell yesterday issued a call for an emergency meeting of the council committee-as-a-whole to consider two major important issues confronting the city now.

The meeting will be held at the Racquet Club tonight at 8 and will have placed before it re-consideration of the proposal to purchase 100 stalls for the Polo Grounds to be used by the forthcoming convention of the California Horsemen's association in October.

The second subject on the agenda will concern the purchase of the Sunset House and property on which it stands for an asking price of \$75,000 and a total cost of \$150,000 to convert the skeleton building into a city hall and the remainder of the grounds into a civic center.

THE SUNSET HOUSE proposal with the city allowed only until Saturday to decide whether it will or will not buy the property, is expected to see Mayor Charles Farrell and perhaps other councilmen ask for a decision.

See PURCHASE, Page 3

Del Sol Road Officially on County Map

Del Sol road, the new short cut from Highway 111 to Highway 99—from Rancho Mirage to Thousand Palms—is officially open, the result of a get-together party last Saturday evening.

Mayor Charles Farrell of Palm Springs and Clarence A. Washburn of Indio, assisted by sundry girls and other officials, did the cutting of the tape. It was snipped several times.

A. C. Keith, county road commissioner, represented the county at the event and Harry Oliver was there to boost for a continuation of the road two ways—to become part of the Palms to Pines highway, route 74, and to continue it into Joshua Tree National Monument.

After the tape cutting, the party became just a neighborly get-together of the desert people from Palm Springs to Thermal.

See PURCHASE, Page 3

Valentine Blatz Heads Red Cross For Coming Year

Valentine Blatz was elected chairman of the Palm Springs branch, Riverside county chapter, American Red Cross, Wednesday at the annual meeting held at the Health Center.

He will succeed Warren Slaughter, chairman for the past year.

Foster Simonson was elected vice-chairman and Donna Frost, secretary with Charles Henderson re-elected treasurer.

Five directors at large were elected at the meeting. They are Mrs. Richard Maher, Desert Hot Springs; Mrs. B. A. Tiernan and Mrs. Agnes Wilbor, Cathedral City; Dr. C. H. Baldwin and Warren Slaughter Palm Springs.

Reports of the past season were heard at the meeting and plans discussed for the new year.

It was the last meeting of the season for branch members.

Chairman Blatz, however, is expected to call an early meeting of officers and directors to name committees for the new year and to map plans for activities before the summer lull.

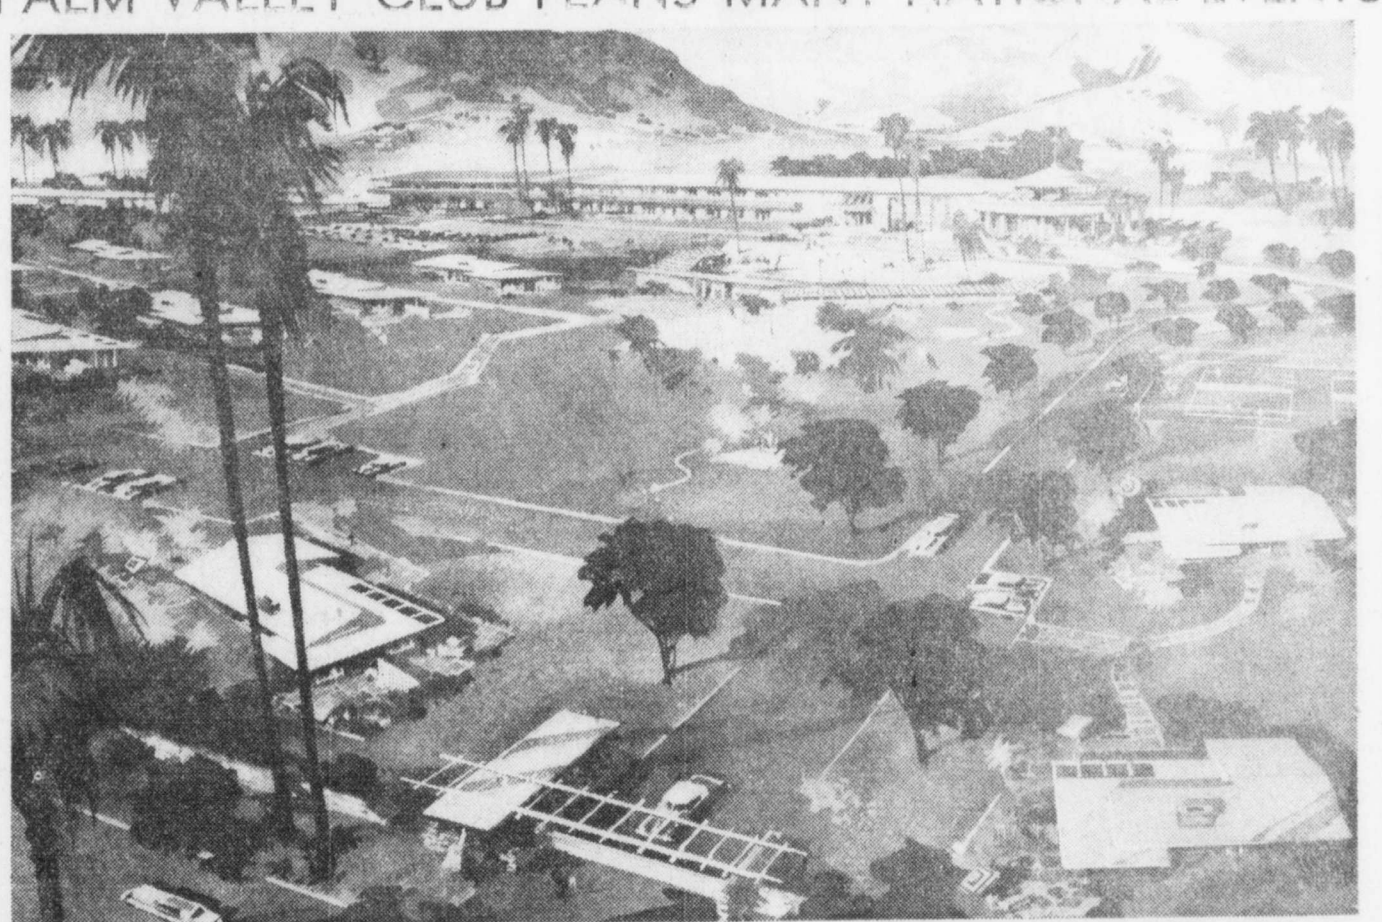

Blatz was chairman of the recent Red Cross drive in which Palm Springs was the first to exceed its quota and for some time remained the only branch in the county to fill its quota.

Mrs. Henderson Injured in Fall

Mrs. Charles F. Henderson was in Community Hospital this week following a fall in the dark at Sunset Court. Injuries which were at first feared to be serious, were finally found to be limited to severe bruises of the hip, a broken arm and the other painfully sprained.

PALM VALLEY CLUB PLANS MANY NATIONAL EVENTS

PROPOSED AQUATIC CENTER—Palm Valley club's swimming pool, upper center, will be the center of national and international aquatic events under plans already well along by J. Ward Cohen. President. Other national events are also planned for the club on

The forthcoming United States Olympic Water Polo meet at the Palm Valley Club, Palm Springs is announced last week in the Desert Sun is but one of the many important events which J. Ward Cohen, president of Palm Valley Club, has in mind for members of this \$2,000,000 luxury club. National and international swimming meets are now particularly interested in coming to Palm Springs due to Cohen's foresight in having the plans for the Club's pool match the exact specifications required of an Olympic pool (45 by 85 feet), making it the largest and most elaborate pool in Palm Springs. Another important water event he hopes to bring to Palm

The PUBLISHER'S Corner

By JERRY NATHANSON "Publisher for a Day"

New Councilman Jerry Nathanson has operated a food market in Palm Springs for several years and shown a marked interest in city affairs. He is a hard worker, progressive—and stands firm on his convictions.—O.E.J.)

This is the perfect opportunity to thank people for their confidence in me at the polls. The generous majority was overwhelming and gratifying and I certainly shall pray that God give me guidance in assisting in handling the affairs of the City, and to also thank Mr. Oliver Jaynes, the publisher of this newspaper, for the privilege of the use of his column.

I believe this is the opportune time to discuss the City's intended purchase of the Sunset House for rebuilding into a City Hall, and to state why my vote was cast against this purchase, since it is my intention to take the people into my confidence in all public matters.

To be brutally frank, there are many improvements confronting the City which are more necessary and can better serve the future progress and development of Palm Springs.

The cost of purchase plus reconstruction would cost approximately \$300,000 if not considerably more.

Taxes have already hit a new peak. Every precaution should be taken to prevent an increase.

The location is not central and there are not adequate parking facilities.

The city does not have any surplus cash and to finance \$200,000 as suggested over a period of years at 4% interest does not appear as a sound business venture.

It is not my intention to offer criticism alone without providing a solution. Certainly we need a good nice City (Please Turn to Page Two)

Covington's Prize Turtle Plays Hare

Greenliner, the pride of Covington, Ky., didn't do any better in California than did Your Host, the pride of California, in Kentucky, last weekend.

Greenliner was given two chances to beat Willie, the speediest turtle in the Joshua Tree area last Sunday and both times, waddled aimlessly and slowly, stopping every once in a while to take a nap. He thought he was the hare instead of the tortoise.

NOW, THAT it is evident that this epic is about turtles, is the time to explain that Joshua Tree, across the Little San Bernardino from Palm Springs, put on a turtle derby last Sunday before a huge throng of excited fans.

There were eight races on the card and plenty of speed dashes—anyway, as speedy as a turtle can go. There were about 24 entries in each race and in every race about half that number were left at the post.

THE ENTRIES of the Palm Springs Chamber of Commerce and Desert Inn were scratched and did not run. They had originally been scheduled to race the eastern invader, Meredith Wiley, who announced the races, explained how you scratch a turtle.

"You turn it over," he said, "put the soft side up. A turtle wouldn't know it was scratched if the scratching was done from the top."

But it was a great day. A huge throng turned out in regular carnival style to see the turtles run in eight races.

One had struck it rich. A visitor on the desert, he found a turtle running wild on Saturday. He entered it in four races Sunday and walked away with two firsts, a second and a third to pick up \$25 in purses.

There may not be gold in Joshua—but there are turtles.

Vacations and New Buicks Go Together

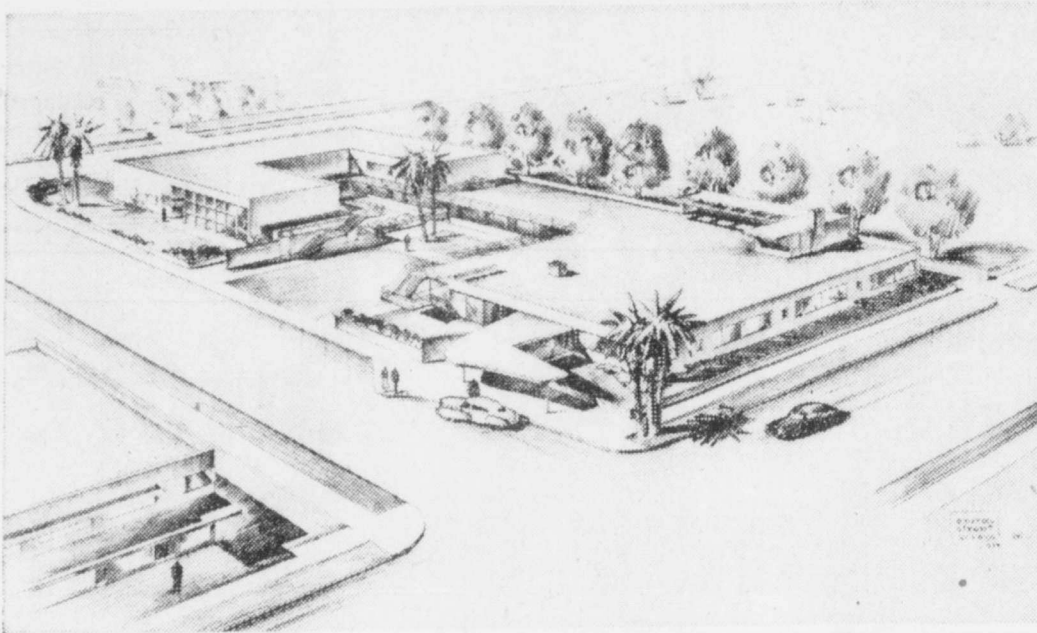

Claude Valeur, manager of the Desert Inn garage, this week called attention to a combination of two pleasures several Villagers are enjoying at this time of the year. They are combining a vacation trip and the acquisition of a new Buick direct from the factory at Flint, Michigan.

"There's a reason," he said. He pointed out that purchasers save up to \$331 in freight charges, enough to pay for two first class passages on the finest trains in the country.

Valeur said that those persons planning on the delivery of a new Buick at the factory should place their order at least 30 days before their scheduled arrival in Flint, Michigan.

"There's no red tape involved," added Valeur. "The automobile will be serviced and ready for the road when the buyer arrives at the factory for delivery."

All one has to do, according to Valeur, is to trade their old automobile in on the new one at Desert Inn garage or if no trade-in is involved to make other financial arrangements here before departure.

UNDER DISCUSSION—Architect's drawing of proposed adaptation of Sunset House at Via Lola and Palm Canyon drive into city hall for Palm Springs. Story on Page One. (Designed by firm of Williams, Williams and Williams.)

Plan Community Orchestra Here

Formation of a Community orchestra was proceeding in the Palm Springs area today with Archie Long as temporary manager and the adult education program of the Palm Springs Unified school district the vehicle for the movement.

The concert orchestra and marching band will be under the direction of Gustav Patzner. Fifteen have already indicated their intention of participating and that many more are wanted to complete the preliminary plans.

Junior Chamber of Commerce and American Legion post here have pledged their support to the group.

Among those taking a leading part in the planning are Vivian Hays, Ethel Crooks, Martin and Patricia Brown, Robert Grenzow, Otto Miller, Murray Barrick and Long. All are now members of a Coachella Valley orchestra and were heard in a highly successful concert Thursday night at Coachella Union high school.

Drop That Gun!

Put that air gun down! Supervisors Monday amended the county firearms law to include air rifles in the category which cannot be fired within 200 yards of any building or house unless the occupants say it's o.k.

Plan to Complete Census by June 1

Frank Timmons, assistant census chief in the 22nd congressional district, said this week that the count in the county should be finished by June 1.

Some rural areas are still to be completed in the desert he said, around Blythe and Indio. Cities in that section have been completely covered except for check-backs.

Hall. I contend, however, that a City Hall house all the departments of a city, not only its offices and courtrooms, but its Police Department and Fire Department.

The City has access to one city block where the Frances Stevens school is located. This seems to me the ideally located section where an entire city institution should be housed.

It is obvious that the present site of the Frances Stevens School is rapidly becoming unsuitable for school purposes, in view of the traffic conditions, the spread of the business district past the school, and the growth of the residential district away from the school. Also the proposed widening of Indian Ave., will aggravate the hazard to which school children will be subjected.

The sale of the present location of the land and buildings which now house the Police and Fire Departments at today's high-priced market would produce sufficient capital to erect this proposed City Hall, thus eliminating the necessity of borrowing and paying interest.

I would welcome receiving your comments on my position in this matter.

Village Girl Scouts to Aid at Memorial Forest Event

Palm Springs Girl Scouts this week launched preparations for participation in the dedication of the Lou Henry Memorial Forest at Azalea Trails on June 25.

Mrs. Russell Rink, representing Mrs. B. H. Poliak, Palm Springs Scout Council, said yesterday that Palm Springs Scouts expect to have invitational mailing list completed by the end of this week to meet the May deadline.

Mrs. Rink representing the Palm Springs Council at a meeting of the dedication committee in Riverside last week.

The conference was led by A. B. West of Riverside, co-chairman of the committee with T. E. Gore, also of Riverside.

Impressive program plans were outlined for the Girl Scout tribute to the late wife of former president Herbert Hoover.

The committee hopes to entertain some members of the Hoover family at the dedication which will begin at 3 p.m. Tentative speakers were discussed and program suggestions considered.

The Lou Henry Memorial Forest at Azalea Trails is the first Memorial Forest to honor the late Girl Scout leader in Region Twelve, which includes Girl Scouts of California, Arizona, Utah, Nevada, Hawaii and Guam.

This was the region in which Mrs. Hoover resided and activated many of her favorite Scout projects.

Radio Road Now Part Of County System

Radio road, which passes by KCMJ, is now an official road. It was accepted into the county road system by supervisors Monday which means that the county will maintain it.

Highway 99 Toll Mounts to Four In Second Crash

"Accidental deaths" was the verdict of a coroner's jury which Monday listened to evidence in the fatal crash at Garnet last week which took the life of one woman instantly and resulted in fatal injuries to another.

Coroner Ben White conducted the inquest which was held at Wiefel's and Sons mortuary here.

Mrs. Ann Bernice Scott, 34, of Brea was instantly killed when the automobile in which she was riding crashed into a truck at the intersection of the highway and the Desert Hot Springs road.

Mrs. Lulu Mae Senn, 36, of Olinde, died in Palm Springs Community hospital the day after the crash as result of injuries received.

The two women were returning to their home at Brea after a visit in Desert Hot Springs when the crash occurred according to Deputy Coroner A. M. Depeew.

C. B. Albin of Downey, truck driver, said the women apparently did not see his truck until too late as they came on to Highway 99 from the Desert Hot Springs road near Garnet.

The tragedy raised to four the number of persons killed in traffic accidents on Highway 99 near Palm Springs.

A few days before two women were killed and two injured in a crash on Highway 99 between Garnet and Thousand Palms.

Mountain Road To be Paved

Twenty miles of mountain road between Banning and Mountain Center will be surfaced starting in July, under a \$200,000 allocation by the Forest Highway Commission, Norman J. Farrell, San Bernardino National Forest supervisor, said yesterday.

The surfacing will allow high-standard access to Idyllwild from the desert below. Currently the Banning-Idyllwild road is surfaced from Banning to the forest boundary and from the mountain resort to the forest boundary on the south.

Does it Pay? Just Ask 'Em

Want to know whether newspaper advertising pays? Ask Bob and Jean Morris of the Casual Air shop, 501 North Palm Canyon drive.

Last week they announced in the local newspapers that their annual Vacation Clearance sale would start at 9 a. m. Saturday.

There were long queues waiting at the time and the store has been jammed since.

The annual Vacation Clearance sale is staged to enable Villagers to save money on their vacation needs. The store remains open all summer, too.

From Page One—MORE ABOUT

THIS SIDE

Book and who claims to sell the desert as a whole and not as real estate) was much at hand at the Del Sol opening last week.

He worked hard on Mayor Charley Farrell of P. S. and Clarence Washburn of Indio on his new idea.

HE WANTS Del Sol Road to be the continuation of 74 (Pines to Palms Highway) and wants it to follow Ramon to Thousand Palms Oasis, then across Dillon Road and on up the old Pinyon Well Road to Pleasant Valley and then to 29 Palms.

Thus, Oliver says, it would shorten the trip from Indio and Palm Springs to 29 Palms by many miles and give the world a circular trip through beautiful Joshua Tree National Monument.

"What a trip," said the old-timer. "From San Juan Capistrano with its swallows, Lake Elsinore, Idyllwild in the pines, Coachella Valley, Fort Oliver with its buzzards, Thousand Palms Oasis, and wonderful Highway 74 taking all to that great scenic wonder, Joshua Tree National Monument!"

HE WOUND UP his oration with the crack: "If you like the idea, it's time to get the politicians to make promises."

IN RE THE STARTING VERSE: Why didn't I think of that last Saturday morning!

Upon completion there will be a completely surfaced roadway from Banning to Mountain Center, Idyllwild turnout on the Palms-to-Pines Highway.

Charles McGann Installed Head Of Village Lions

At a merry affair at the Palm House last Thursday night, officials of Palm Springs Lions club were officially installed.

Charles McGann, Southern Pacific passenger agent here, succeeded City Attorney Roy Colegate as the president of the Lions club.

With approximately 100 members watching, District Governor James McDill of San Bernardino installed the following officers: Rolly Vaile, first vice-president; Joe Henderson, second vice president and Rev. James Blackstone Jr., third vice president.

Other officers seated were Lloyd Mason Smith, secretary; Armand Turonnet, treasurer; Paul Summer, Tail Twister, and George Minturn, lion tamer.

Two new directors were elected, Dr. Robert Morrey and James Cooper. Hold-over directors are Tom Kieley and Sam Stuart.

Vic Sudaha, owner of the Palm House, spread a lavish meal before the celebrants who also enjoyed the current film show at the popular night spot.

Barbara Connell Is Back Home Again

Home again after a long siege in Redlands and later Queen of Angels hospital, Los Angeles,

was Barbara Connell, daughter of Mr. and Mrs. John Connell. She is slowly recovering from the effects of an automobile accident near Redlands two months ago and was unconscious for weeks following the crash.

ELECTION TUESDAY, JUNE 6

State Backs Program for Desert Lakes

The State Public Works Board Wednesday approved an appropriation of \$32,500 for construction of three warm water fishing lakes in Coachella Valley.

The money was a portion of the first major block of State Wildlife Conservation Board funds which were released yesterday. The state-wide allotments totaled nearly \$485,000.

The project was approved by supervisors in January when O. T. Hervey, chairman of the Riverside county conservation committee, and others including Carl Keene of the Palm Springs Sportsmen, Inc., appeared before them.

When Harvey made his recommendation to the Supervisors he said the lakes would lie along the Coachella branch of the All-American Canal from about three miles north of Indio to three miles south.

AND THE LAKES may be open to fishing in 1952 if the project goes forward without a hitch, he said.

The Supervisors entered into the project because it will be up to them to see that the lakes are maintained after they are built.

Harvey said the water, which would come from the Colorado River via the All-American Canal, is rich and would sustain about 500 pounds of fish per acre per year.

From Page One—MORE ABOUT PURCHASE

lay in time to consider the purchase.

Pending against the owners of the property is an abatement suit filed by the City of Palm Springs to compel the owners to do something about the unsightly half-completed structure on North Palm Canyon drive and Via Lola.

The purchase of the property as a subject of debate at the last of the season's Mayor's Co-ordinating Council meeting Tuesday noon at the Racquet Club.

COUNCILMAN Florian Boyd who has been pressing for the purchase of the property as a "good buy" for the city, presented the plan. Although he did not convince everybody present that the purchase was a good buy several of the more than 22 members of the council present at the meeting expressed a reversal of opinion in favor of the purchase.

THIS ATTITUDE was taken in the face of a virtual dictum by the present owners of the Sunset House property that the city could have until Saturday in which to decide on the purchase.

Mayor Farrell told The Sun that he was going to demand more time be given the city in which to study the proposal.

It is known that Councilman Jerry Nathanson and two or three other councilmen are opposed to the purchase of the property at this time, which they claim will ultimately cost the city more than \$300,000.

Councilman Boyd in presenting the proposition to those present at the Co-ordinating Committee pointed out time and again that the highest estimated cost in converting the structure into a city hall would not be more than \$150,000. He further explained that the city could pay for the building and proposed improvements from the city's capital improvement fund replenished early by city sales tax revenue.

AMONG THOSE who strenuously opposed the purchase at this time was Attorney Hilton McCabe representing the Home Owner's League, the organization which earlier in the week had filed a letter with the council seeking to keep taxes at their present level or lower.

"I'm not taking any position on this matter as yet," declared Mayor Farrell. "Before I do I want to find out what most of the people want and then without a doubt I will cast my vote for or against the purchase. Most of all, I personally want more time in which to study the matter."

From Page One—MORE ABOUT STABLES

vealed at the Mayor's Co-ordinating Council Tuesday noon may be Pomona, Harry Harper, representing the local horsemen, said.

"I don't want Palm Springs to lose this convention if it is at all possible to comply with the wishes of those handling the convention," Mayor Farrell said yesterday.

IT WAS POINTED OUT at the meeting Tuesday that approximately 5000 persons would be present in the Village during the meet who will participate with approximately 1200 horses in the events to be staged at the Polo Grounds.

"In addition," Harper pointed out, "several thousand people will throng the Village to see the show during the day and night performances."

The larger number of stalls are necessary it was said, because of the large number of blue-ribbon show horses it will be impossible to truck back and forth to the Polo Grounds from outlying stables in the Village. These horses, which are high spirited stallions

Varner Urges More County Money for Desert Section

Lower taxes and wiser use of county money would advocate vigorously this week by Homer Varner of Indio, candidate for supervisor in the June 6 primary.

The former Indio city treasurer, now serving his second year as desert representative on the county planning commission, seeks promotion to the board of supervisors from the Fourth (desert) District. He would replace Collis R. Mayflower of Blythe, who was appointed in 1949 and does not seek election.

VARNER IS BASING his campaign on the urgent need for higher employment, lower taxes, and greater benefits for agriculture, the tourist industry, and future light industrial development.

"We must get more for less," he declared on a recent visit in

the Village. "The development of eastern Riverside county demands wise use of county revenue to obtain maximum benefits. Small business and the tourist and other developing light industries need lower taxes to permit them to maintain payrolls and high employment."

VARNER STRESSED his conviction that a greater proportion of county funds should be spent on improvements in the San Geronimo Pass, Palm Springs, Coachella Valley and Palo Verde Valley areas. He has spoken before civic groups in all sections of the Fourth District, urging a heavy vote on June 6.

"Approximately 40 per cent of all county revenue comes from these sections," Varner pointed out, "yet we have only 20 per cent representation—one supervisor out of five—on the board."

Court of Honor for Youths

Boy Scouts of the Palm Springs council were honored Wednesday night by a Court of Honor at World Wars Memorial Hall before a large audience of parents and friends.

It was the last Court of Honor of the season and Jacques Cromelin was in charge of the event.

Entertaining the boys were Leo Rojo at the piano and Cliff Campbell and his guitar.

Boys honored at the session and their awards were: Eagle, Troop 81—Eugene Hamlin Patrick, Mack Eugene Thompson.

GOLD PALM: Troop 39—Edward Griffing.

FIRST CLASS: Troop 39—Marvin Yager, Wesley Chapin, Troop 59—Warren Day, Clayton Lampman, Troop 81—Harry Krings, Duane Krings.

SECOND CLASS: Troop 39—Kenneth Reich; Troop 59—Gary Blackhart, Ronnie Rasch, Eddie Kibbey, Robert King, Troop 81—Charles Martin.

MERIT BADGES: Troop 39—Marold Smith: Woodcarving, Firemanship, Public Health, Cooking, Personal Health, Wesley Chapin: Leathercraft, Marvin Yager: Swimming, James Seger: Cooking, Home Repairs, Plumbing, Charles Potts: Horsemanship, Home Repairs, Leo Rojo, Jr.: Marksmanship, Interpreting, Home Repairs, Edward Griffing: Forestry, Signaling, Farm Layout, Woodcarving, Surveying, Athletics, Music, Machinery, Electricity, Indian Lore, Marksmanship, Hiking.

Troop 59—Warren Day: Home Repairs.

Gary Lampman: Coin Collecting.

Clayton Lampman: Coin Collecting.

Troop 81—Duane Krings: Swimming.

Mack Eugene Thompson: Safety, Pioneering, Bird Study, Agriculture, Grasses, Plumbing, Public Speaking, Interpreting, Gene Patrick: Camping, Cooking, Home Repairs, Citizenship, Pathfinding, Bird Study, Safety, Plumbing, Pioneering, Reading, Charles Martin: Swimming, Marshall S. Thompson: Beef Production.

From Page One—MORE ABOUT COUNCIL

to the construction and operation of another trailer court near the Biltmore hotel on highway 111 within the city limits.

Hicks pointed out that there wasn't much the city could do in his opinion to stop such construction as the zoning in that area permitted the construction of trailer courts.

"I am led to understand that the city has more trailer courts than is necessary now and the erection of another one will only work a hardship on those operating now," stated Meyers.

IT WAS SUGGESTED that Meyers place the entire matter in the hands of the Planning Commission which he promised to do.

When the proposed Junior High School district was put to vote by Chairman Hicks all but three persons raised their hands in opposition.

The consensus was that additional taxes at this time would be too burdensome for property owners in the Village now complaining about high taxes. Hilton McCabe, attorney and member of the Unified Desert School district presented the Junior College plan to those present.

HE SAID that the district could be created and without the need for floating school bonds an assessment of 35 cents for two years would eventually accumulate enough funds with which to build the Junior College buildings and campus.

"We have to combine with the Coachella district," said McCabe, "because state education officials will not permit either Coachella or Palm Springs to create a Junior College district alone."

Mayor Charles Farrell indicated that he was much concerned over the possible loss of the Horseman's association convention in October due to the lack of sufficient horse stalls at the Polo Grounds.

"**I UNDERSTAND** that Pomona wants the convention very much," said Mayor Farrell, "and my telephone has been ringing incessantly since the council voted to purchase only 100 horse stalls instead of 200 with the possible loss of the convention all of the businessmen in the Village want."

Purchase of the Sunset House and the property on which it stands consumed considerable time in discussion with Councilman Florian Boyd explaining that the city only had ten days in which to act on what he believes "is a good bargain."

have to be segregated from the other animals.

THE HORSEMEN were originally promised, as the minutes of last month's city council indicate, a sufficient number of stalls to fill the needs of the convention.

Sentenced to 15 Days

Juan Montes Ybarra was sentenced to 15 days in the Riverside county jail with 10 days of the sentence suspended when found guilty of disorderly conduct, drunk when he appeared before Judge Eugene E. Theriault Wednesday.

Jaycee Officers Installed at Party At Palm House

It was a merry time at the Palm House last night when Palm Springs Junior Chamber of Commerce rallied to install their new officers, present awards for outstanding achievements during the year and to just dine and dance.

Installed were Ed Hawkins, new president; Al Stutz, first vice-president; Paul Traver, second vice president; Dick Churchwell, secretary and Bob Clark, treasurer.

Besides the fun, there was a short business meeting.

R. R. Dunlap was chairman of the committee in charge of arrangements for the affair.

Girl Scouts

Next Tuesday is to be Brownie Day.

All Brownies of Palm Springs, Cathedral City, and Desert Hot Springs are invited to a get-together at the Scout House on Tuesday, May 16, from 2:30 to 5 p.m.

The Brownies will take part in competitive games and then have refreshments.

The girls will be taken home by school bus, as usual, although at a later time.

Mrs. Sol Ruskin is chairman of the program, and Mrs. Russell Rink is in charge of refreshments.

Troops which will participate are:

Troop No. 1—Mrs. R. Rink and Mrs. Merel Phillips.

Troop No. 4—Mrs. C. R. Grimes and Mrs. Ray Sorum.

Troop No. 10—Mrs. H. Reich and Mrs. S. Ruskin.

Troop No. 13—Mrs. A. Skerry and Mrs. C. Harrison.

Troop No. 16—Mrs. W. Strebe and Mrs. L. Wolf.

Cathedral City Troop—Mrs. Ruth Hayhurst.

Desert Hot Springs Troop—Mrs. M. Wright.

Dismiss Charge Against Lynch In Hit-Run Case

On motion of Deputy District Attorney James Angel, felony complaint charging William Lynch, salesman with the hit-and-run death here of Richard P. Lowe, March 25, was dismissed when the case was called for preliminary hearing by Judge Eugene E. Theriault yesterday at 11 a.m.

Judge Theriault granted dismissal of the charge before any prosecution witness took the stand.

This latest turn in the investigation of the mysterious hit-and-run death of Lowe on Tamarisk road at 11:30 p.m., March 25, leaves police with no clue to the driver of the death vehicle.

Sergeant Jim Maynard and Officer John Herrera as well as other members of the force will continue to seek to find the slayer of Lowe, Chief of Police August Kettmann stated yesterday.

Sail in the amount of \$5,000 was ordered returned to Lynch or his mother, Mrs. Mary Wood, Beverly Hills, who put the money up for the release of her son.

Mrs. Perry Johnson returns to the Village next week after a trip of several weeks to the Pacific Northwest, with visits to Banff, Lake Louise and Vancouver. She was accompanied by Mrs. Betty Byers.

Palm Springs Day on July 15 At Arrowhead

Palm Springs has been selected to be honored July 15, on Alpine Day at Lake Arrowhead.

Alpine Day, held each Saturday, beginning May 27, is a weekly holiday during which residents and visitors alike wear all or part of a gay Swiss style costume (just as other resorts go western.) Everyone will be invited to take part in the festivities, such as dances, games, contests, concerts, free rides, etc. head's mayor is Shirley Temple.

Palm Springs will again gain considerable national and statewide publicity since the event will be covered by all press associations and major California newspapers.

Dr. Behneman Elected to State Service Office

Dr. H. M. F. Behneman, well known Village physician and head of the Desert Clinic, is now a trustee of the California Physicians' Service.

Dr. Behneman was elected to that office during a meeting of the House of Delegates of that

The Desert Sun—3 PALM SPRINGS, CALIFORNIA Friday, May 12, 1950

organization at Coronado during the convention of the California Medical Association in San Diego last week.

The California Physicians' Service boasts of a membership of 90 per cent of the practicing doctors in this state. In addition to tending to the medical needs of war veterans it also has the largest number of voluntary health policy holders in the nation. The board of trustees consists of five doctors and five laymen.

Aid Your Tramway and Aid it Now

To California, and especially to Palm Springs, has been given the opportunity to construct Mt. San Jacinto Tramway, one of the world's greatest ski lifts. This plan falls in line with California's growth in population and industry, and carried to a conclusion, it will bring to this community thousands of new guests who are devoted to winter sports.

Objections to the Tramway have been voiced by a few conservative groups who believe that the home-life of the birds and the racoons atop Mt. Jacinto should not be disturbed by the antics of the ski-ers, the visitors to the forest. Such objections are not only inane—they are non-progressive and narrow. People love nature. They visit our mountains, deserts, beaches and valleys for relaxation and fun. They want to get away from thickly populated cities, the smog and the fog, and enjoy life. It isn't in their hearts to destroy the natural beauty that gives them pleasure.

California is studded with mountain ranges from San Diego to the Oregon line. And who has ever heard of birds, butterflies and wild animals losing their

minds due to the encroachment of human sport lovers? As a matter of fact, it is logical to believe that the wild life atop Mt. San Jacinto would welcome a change of environment. At least they would have fun of picking up the bread crumbs tossed to them by the ski-ers.

Earl Coffman, chairman of the Tramway Authority, and members of the Chamber of Commerce request our cooperation in seeking a right of way across a small strip of forest area land in order that the construction job may proceed. They ask that we write letters immediately to Mr. Lyle Watts, National Forester, U. S. Forest Service, Washington, D. C., and urge that the right of way be granted. We have been advised by Mr. Coffman and his committee that letters opposing the right of way have been mailed to Mr. Watts. Our job, therefore, is to convince the National Forester that those who favor the Tramway far outnumber those who oppose it.

Let this weekend be our letter writing days. We may lose a few minutes time by writing a letter, BUT WE CAN LOSE A GOLDEN OPPORTUNITY FOR PALM SPRINGS IF WE DON'T!

Important Step for Palm Springs' Future

An important step looking toward the future of Palm Springs and environs was taken Monday at a ceremony back of El Mirador hotel when ground was broken for the new Palm Springs District hospital.

Local hospital service is less than a decade old. It was only about eight years ago that Mrs. Madge Holderman, public health nurse for the city, jolted a room full of Lions club members and their guests with facts and figures on the threat facing the Village due to lack of a hospital. Action followed at once in a community-wide campaign and the Community hospital was the result.

Then the hospital district was organized and authorized by voters of the Palm Springs area and the two institutions pooled their interests and resources to give the local desert section the best.

With the sale of El Mirador by the government pending, it was decided to act at once on a new building as the hospital was housed in buildings which the government planned to sell.

Monday's ground-breaking ceremony at which Kenneth Kirk, district president, turned the first shovel-ful of earth was the first step toward this new hospital. It will be ready for use by February, 1951.

it is planned and the Village will have adequate hospital service assured. Designed for additions as needed, the new hospital will provide for the community's needs.

And, while congratulations go to those here for their great service, they also go eastward to Chicago where Ernie Alschuler, another of the early leaders in campaigning for the hospital was detained by business and could not be here for the ceremonies Monday.

To Serve You

Each summer more and more firms and more and more hotels remain open to accommodate Villagers and visitors and each summer more and more people remain here.

A partial list of those firms and hotels remaining open is published on Page One today. More will be published as they let The Sun know they are planning to be on hand to serve Villagers.

Palm Springs is not a summer resort but as many people remain here, some due to business reasons and others from choice, these stores and hotels remaining open merit your support.

Villagers' Views

Don't Use Poles

This committee, on behalf of its member utilities, has directed a strong appeal to all candidates in the June 6 primary election to issue definite instructions to their campaign workers not to use utility poles for the posting of election placards. Accident records testify to serious injuries sustained by linemen as a result of falls caused by their climbing spurs slipping upon coming into contact with nails, staples, and other metal objects, covered by placards or used to attach them to the poles. We have further pointed out the unsightly appearance occasioned by the placards on our public thoroughfares.

In the past we have not always had the wholehearted support of many of the candidates, despite the fact that we have continually brought out that the placing of any advertising matter on poles is unlawful by California Statute of 1911 (Page 957). We cannot help but feel

that greater awareness of responsibility for the workmen's safety and regard for the appearance of our thoroughfares should be exhibited by these candidates for public office.

In order that this undesirable practice may be brought to the attention of the general public, as well as the candidates themselves, we solicit your cooperation in publishing an article on the circumstances which we have mentioned. Any assistance which you may give us in this matter will be greatly appreciated.

JOINT POLE COMMITTEE.
H. G. BIESCAR, Sec'y.

Likes The Sun

I want to thank The Desert Sun staff for all your cooperation. I have always been a great believer in local advertising. Without a local paper a town cannot exist. The advertisements I have run in your paper and lots of other ways you have been a help to me in business. I feel that the business people should

help support our local paper. I have enjoyed reading your paper as have our guests, many of whom have had the paper sent to their home towns.

I am leaving for the summer and wish your paper to be sent to me to the address below. I have a lot of faith in the future of Palm Springs and its people have been very kind to me and I am sure that after a well-earned rest I shall return next fall and continue my civic interests for Palm Springs. Whenever I am I shall still be boosting it.

TWILA B. KING.

Inconceivable

I am writing you concerning the aerial tramway to be built in Palm Springs. After ten years of ambitious planning and negotiating it seems to have hit a snag over a half acre plot which some believe important enough to preserve at incredible cost.

There is nothing particularly outstanding about the area concerned. I doubt if large game or any wild life can be directly proven to be concentrated there, or any specially wonderful rock formation or other beauty of nature. The complete San Jacinto range can multiply many times over, any single attribute of this small plot.

It is inconceivable to me that such a trifling can hold up such a noble men and their energetic dream. This is a commendable enterprise, to keep Palm Springs abreast of the field in public-wise resorts. I, for one am eager to pledge my complete cooperation.

Sincerely,
ROBERT LANDRY.

Too Cheap

What's happened to the census? The operators at Desert Hot Springs and Cathedral City have thrown up the sponge. The government pays 7 cents for each name, 7 cents for each house. One worker said he made about \$2 a day, another's take amounted to \$3. The enumerators pay for their own gasoline. Job seekers can contact Leonard Hummel, Banning.

One of our local enumerators has figured out a plan where he makes a little more than actual expenses, but only a little. Don't look like Uncle Sammy values the census too highly. The returns should have been in by the middle of April—but ain't.

CONKY.

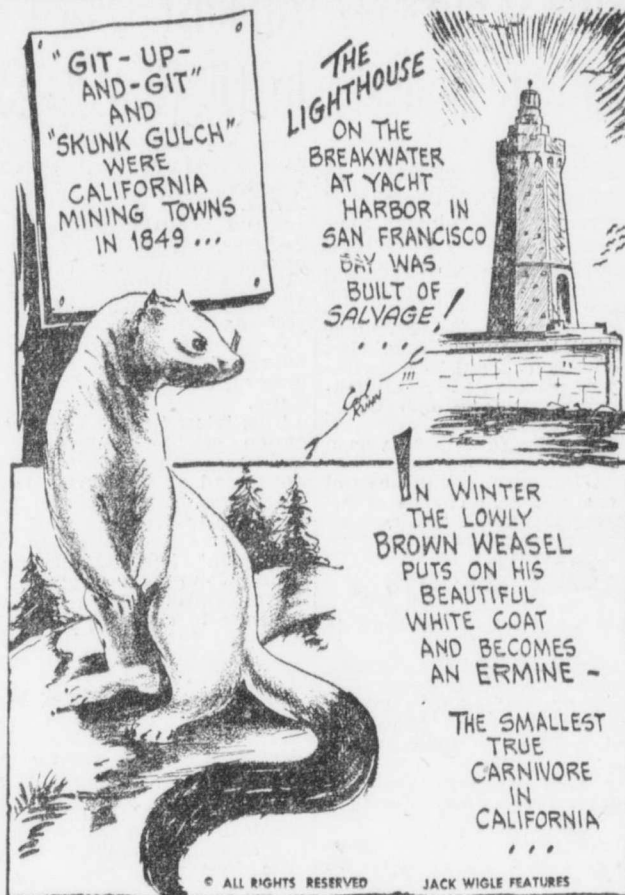

Never Again

Believe me, brother, I'll never buy another season ticket to anything here. Where's that fourth and final Allied Artists series concert number?

D. F.

California Cavalcade

By CARL KUHN

Politically Speaking

By ETHEL GILLET WHITEHORN

THE INSIDE JOB

Abraham Lincoln once said in speaking of the safety of the nation: "If destruction be our lot, we must ourselves be its author and finisher. As a nation of freemen we must live through all times or die by suicide. I say that if America is ever to be destroyed—IT WILL BE AN INSIDE JOB."

The American people don't have to look under their beds and in dark corners for the INSIDE JOB. It follows them wherever they go, and it doesn't lurk in the shadows. Every voter should carefully study the following words spoken by Congressman Joseph Martin in the House of Representatives last April 5: "The people expected that once the war was over, there would be a period of adjustment, and that within a few years a substantial return to more normal peacetime conditions would be achieved. They expected that taxes would be lowered, that payments on the huge debt would begin, and that sufficient momentum would be given our economy to cause the wheels of industry to hum and jobs be plentiful."

"BUT their expectations were based on miscalculations. They had forgotten, under the terrible stress of war, that there were still in power the same economic witch doctors and the same disciples of socialism. They had forgotten that the history of these men was that once a tax was enacted it was never repealed; that once a power was gained it was never willingly given up; and that once a control had been imposed it was never relinquished if these men could help it. It simply did not occur to most Americans that the schemers in Washington would employ the terrible machinery of war, the terrible bur-

den of taxes, controls, and emergency powers to achieve political ends that could NEVER BE WON AT THE POLLS. THAT WOULD NEVER BE WILLINGLY VOTED BY THE AMERICAN PEOPLE." So spoke Congressman Martin.

The Congressional election—this year—will determine whether or not the American people are sufficiently aroused to stem the tide of Harry S. Truman's Fair Deal socialism—so aptly termed the Farewell State by Senator Robert Taft. That the American way of life has been placed on the auction block to be sold to the highest bidder, is a fact all citizens, watching the Fair Deal inside job, must acknowledge.

THE RECENT ELECTION IN Florida proves beyond the question of a doubt that the voters are wide awake. The victory of Congressman Smathers, a true Jeffersonian Democrat, over Senator Pepper—an inside jobber—is just one measuring stick. Now we learn that for the first time in 29 years a Republican candidate has been elected to Congress from the State of Texas.

Here in California, the voters can increase Republican representation in Congress without much difficulty if they will let it be known that they, too, are prepared to repudiate the inside job. In this district, the representative is John Phillips, of whom we can be justly proud. He is the only Republican Congressman from California who is a member of the Appropriations committee. He is more than the Congressman for Riverside, Orange and Imperial counties. He is the Congressman for all California.

Your vote for John Phillips on June 6 is a vote for a true American.

DOWN MEMORY LANE

(From files of The Desert Sun of the week of May 12, 1930)

P. T. Stevens, owner of Palm Springs airport, has returned from San Francisco and a round trip ride on the giant new Fokker plane of Western Air Lines.

Plans for a special program at Community church next Sunday in honor of Mother's Day have been completed.

Palm Springs Builders' Supply plant now has a large crew of men busy making cement blocks for local buildings. It is one of the busiest places in town.

It's May in Palm Springs. Top temperature of the week was 89. Lowest was 45.

Plans for the coming season will be discussed by Palm Springs Associates at a banquet at Del Tahquitz hotel, Monday.

Mrs. W. D. Lambert is assisting at the office of the McManus Realty company.

Mr. and Mrs. Mel Stewart of Hollywood have purchased a large lot at the corner of Indian avenue and Alameda and plan to erect a large apartment house.

Fox Film company will send a crew of technicians and actors here next week to make a picture in the Tahquitz canyon area.

Mr. and Mrs. Thomas O'Donnell have closed their hillside home and their golf course for the summer.

Mrs. Joseph Allman and Byron Griffin entertained recently for Mrs. Robert Fairnee at a "500" party. Guests included Mrs. Charles Burket, Jack Williams, Kenneth Guild,

GOT A GOOD ONE to start out with today:

Last week a buncha the local boys went to Catalina as the guests of Stan Rosin. Included in the party were Leo (Catalina) Baker and Bob (Casitas del Monte) Levin, with the latter becoming quite insistent that hors d'oeuvres be served with the cocktails. Having only potato chips, Hermine Rosin, lovely spouse of the host, set them out on the table while Bob lounged on a deck chair on the porch.

Seeing Stan and Leo munching the chips, Bob requested service which the boys promptly proceeded to give him—potato chip well covered with a spread made entirely of shaving soap, plunked into his mouth.

Half-way down his throat, Bob suddenly came to life with the shout he'd been poisoned.

He's still foaming.

BOUQUET dept.: To Palm Springs Sportsmen, Inc., for a super fish fry last Saturday night. Especially to President Carl Keene, Director Warren Heath and all the other members who worked to make the affair the success it was.

Disappointed, however, in not seeing any of the city officials at the annual event with the exception of Treasurer Bob Peterson and Building Inspector P. M. Swart. Neither were there any Chamber of Commerce biggies in attendance. Seems a shame that this organization which does so much for the hunters, fishers and conservationists doesn't get the support it so deserves. Incidentally, the organization needs a lot of members—at only a buck a throw, too.

POLITICAL dept.: City council meetings this summer should be worth the price of admission.

Things are getting warm as reflected at last meeting, and we learn that the "informal" get-togethers are really hum-dingers with now and then some fur flying.

WHAT THIS TOWN NEEDS dept.: More flamboyant and spectacular national advertising. This can be done through the airlines, railroad lines and other national advertisers with only courtesy and cooperation to them by us as the principal cost.

CORN dept.: Skip it if you've heard this one.

The fellow was noticed to use eight spoons of sugar with each cup of coffee. Investigation finally disclosed the guy was stir crazy! (Ouch!)

OR—The brand new bartender. One day in his first week of work he was stopped temporarily by the request of a woman for a cucumber (said to be a non-toxic concoction).

The neophyte mixologist was nonplussed only momentarily, however; quick as a flash he replied, "Sorry, lady, but that's out of season."

(On second thought, better skip 'em both—anyway, there's probably better reading on the sport page).

P. S.—Forgot to mention Bob Levin's new theme song this week, "I'm Forever Blowing Bubbles."

Cuckoo Quiz

Who often climbs down the ladder with success?

MENUS

Cafeteria menus at schools of the Palm Springs Unified School district for the coming week were announced by the school business office yesterday to enable mothers to plan the home meals. They follow:

Monday—Lima beans cooked with bacon, peanut butter and butter sandwiches, lime gelatin with cabbage and pineapple, carrot sticks, milk.

Tuesday—Dried beef rarebit on potatoes, honey butter sandwiches, lettuce and tomato salad, oatmeal cookies, milk.

Wednesday—Hamburgers on buns, stewed corn and tomatoes, cabbage wedges, milk.

Thursday—Cold sliced turkey, potato salad, wholewheat sandwiches with butter, glazed carrots, fruit cup, milk.

Friday—Salmon loaf, wholewheat sandwiches with butter, green peas with butter, orange, milk.

What are they trying to do, get us to wind up the season breathless?

Why crowd everything into one weekend? Last Saturday and Sunday there were a half-dozen things to go to and all of them good. It was a grand and glorious busy weekend but I wish they had scattered it over two or three. Then I could have gone to all.

B. T.

I Rise to Remark

By CONGRESSMAN JOHN PHILLIPS

The Postmaster General announced recently that the afternoon delivery, in many communities, would be eliminated. Letters began to come in. The gist was that Congress had cut the budget, and that some 10,000 employees would lose their jobs. Let's explore this:

The Post Office Department will spend \$2,102,190,500 in the present year, ending June 30. The Department asked the President to submit a request for 1951 for approximately \$2,280,000,000, and this request was reduced by the Bureau of the Budget to \$2,235,607,000—a reduction of \$46,583,000. The Post Office expects to earn \$1,686,320,100, leaving a deficit of \$549,286,900 to be paid by the taxpayers.

The House subcommittee (of the Appropriations Committee) examined the request carefully, and decided, among other things, that the P. O. had over-estimated its probable needs for fiscal year 1951. It reduced the amount \$28,000,000. At the same time, a bill passed the House, raising certain postal charges. This, if it becomes law, as we have no reason to doubt, will reduce the deficit to \$450,000,000 or less. It is still a deficit.

THE POSTMASTER GENERAL announced that he would eliminate the afternoon delivery. The saving, applying to the 1951 appropriation, would be about \$15,000,000. Standing alone, that figure looks like a lot of money, but you and me, but it is less than 1% of the total expense of the Post Office Department. The P. M. General is saying, therefore, that he cannot cut the expenses of the P. O. by only 1% in a time of deficit spending and national emergency. The P. M. General will contend probably, that this cut, plus the Budget Bureau cut, is too much for his Department, but both cuts together are only about 2 1/2% of the total budget, and the Department will still have about 5% more for next year than it has for this year.

I have learned by now that Sherman Institute in Riverside, will be threatened with closing each year, just about the time we debate the Indian Bureau appropriation; that I will receive letters from my friends who are interested in preventing narcotic traffic, protesting a "cut" in the appropriation for the Bureau of Narcotics, although this year we INCREASED the Bureau \$140,000; and that we will see submarines off the California coast each year when the Armed Services appropriation is before the Congress.

Sometimes the Departments and the President do not get together. A few days ago the Joint Chiefs of Staff, in great secrecy, reported to the Armed Services Committee on the troubled state of the world, as a result of

which that committee reported out a bill to continue Selective Service by a vote of 31 to 0, and committee members decided to support an increase of \$350,000,000 in the defense appropriation, but a day later the President told his press conference he was not alarmed over the cold war, and that the situation is better than in 1946.

I FIND IT DIFFICULT to think the P. O. Department is so poorly run that it cannot make a reduction of 1% in its budget without eliminating a service which the present P. M. General described on May 28, 1945, when he was Assistant P. M. General, as very necessary. It was omitted, for economy reasons, during the war, then reinstated because, said the present P. M. General, "the people were clamoring for it." He contends he had no thought of the Appropriation bill, nor of the postal rate increase bill, when he made the announcement, and that it didn't occur to him that these bills were just about to come up in Congress!

What about letting off the employees? The average turnover in government departments is over 20% a year. In the Post Office it is less; about 6% for city carriers and 13% for rural carriers, and about 6 1/2% for clerks and distributors. The annual turnover for the last fiscal year was 18,640 employees. We are talking about half that number, in connection with the delivery reduction. It looks as if the P. O., forewarned, and presuming that delivery is really to be cut, could absorb the carriers into other work of the P. O., by moving them into vacancies caused by the annual turnover. There would, of course, be that many fewer jobs for six months, for would-be carriers, who want to get into P. O. service, but who aren't there now.

Nothing to do With Taxes Says Assessor Burchfield

Frank Burchfield, incumbent county assessor, seeking re-election in the June 6 primary, was in Palm Springs this week and said that his department is often misunderstood as to its functions, by a great many persons.

"The duty of the county assessor is to place a valuation as provided by law upon all property of every classification in the county. That is his sole and entire duty," he said.

"There is a popular misconception that the assessor fixes the amount of taxes to be paid. He is often referred to as the 'tax' assessor. None of that is correct. He is not a 'tax' assessor. To assess means to evaluate, and that is exactly his job—the evaluation of all kinds of property.

"The vital part of his task is to see that property valuations in any area are equalized; that like property has a like valuation. When the assessor has done that his responsibility ends.

"The assessor has nothing to do with the amount of taxes to be paid.

"In his work he does not even know the amount of taxes to be raised, for he does not work with the boards and councils who control taxes.

"If the assessor decreases property valuations, that does not mean a decrease in taxes, and if property valuations are increased, taxes are not automatically higher. The tax rate set by boards and councils decides whether taxes go up or down.

"The assessor could increase property valuation a million per cent, and never increase your tax bill a penny—if the budgets remained the same. It all depends on the budgets, the budgets of the governing boards whom you elect to office for that purpose."

Russell Denny to Join Desert Bank

O. A. Torgerson, president of Desert Bank, announced this week that Russell E. Denny, of Riverside, will be associated with the Desert Bank as its cashier, effective June 15.

After graduation from the Fremont high school in Oakland, California, he attended the Polytechnic School of Business Administration in Oakland.

He entered the banking business with the First National Bank and Union Trust company, South Bend, Indiana, and was promoted to assistant vice president. He later became associated with the Citizens National Trust and Savings Bank of Riverside, where he was manager of the credit department and secretary to the loan committee, assistant cashier and branch manager in charge of March Field and Camp Hahn branches.

"Mr. Denny comes to us with much valuable banking experience and we are very happy in having him associate himself with us as one of our officers," said Torgerson.

His family will join him at Palm Springs later in the summer, and he has two children who will enter high school.

Plymire Buys Sports Firm

Negotiations were being completed this week whereby Harry Plymire, well known local tennis star and businessman, acquires the Palm Springs Sporting Goods store from Bill Marvin. The store is located at 402 North Palm Canyon drive.

Plymire is already planning the reopening with a large stock of new equipment, especially fishing and baseball equipment. Raquet restringing will commence immediately, he said.

The new owner is famous locally as the top raquet star of the area for many years, having won top honors in all Palm Springs tournaments until this year when he bowed out in the semi-finals.

Studebaker Transmission Is Automatic

About 50 per cent of the Commander model production in the Studebaker factories now is devoted to cars with the new Studebaker Automatic Transmission, according to Leo Paquette of the Paquette Motors whose sales and service agency for Palm Springs is located at 635 So. Palm Canyon Drive.

The Paquette Motors has already received several samples of the Commanders (which include Land Cruisers) and with the anticipated arrival of more from the West Coast factory near Los Angeles, will soon be making deliveries, it is stated.

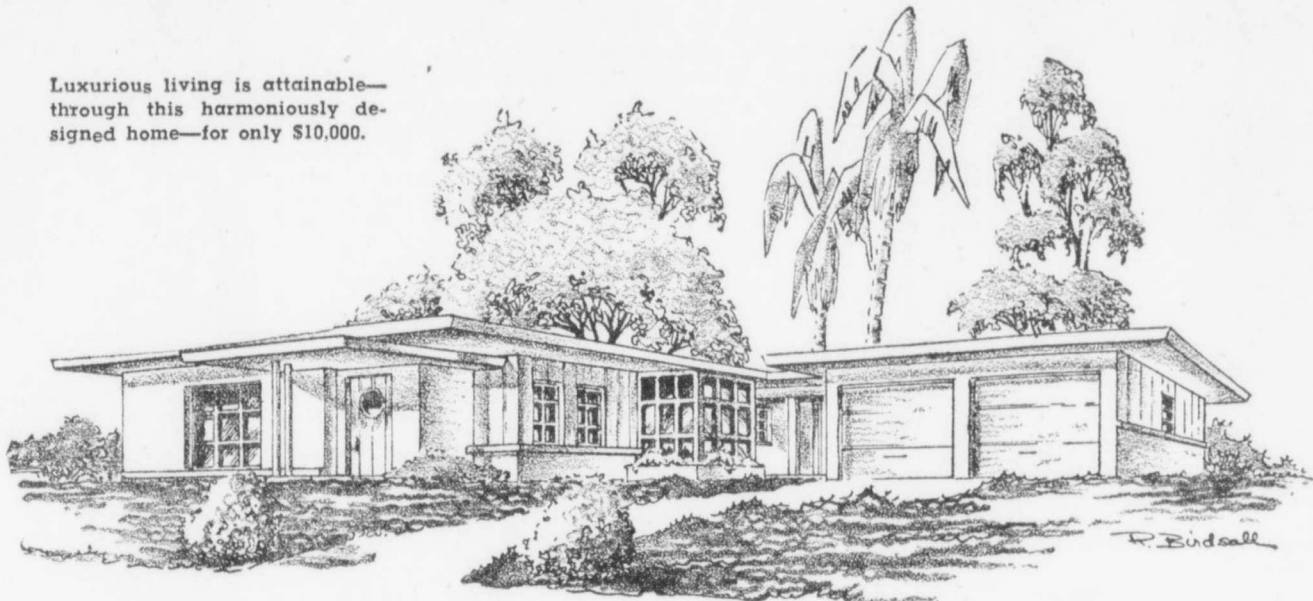

The new Automatic Transmission designed by Borg-Warner for Studebaker, after long and exhaustive tests lasting many months, is being offered at an extra price as optional equipment. However, since it embraces the flexibility of the Automatic Overdrive, this is no longer needed as extra equipment, it is explained.

The Automatic Overdrive, at extra cost, is still available in all Champion models which are being produced with the standard gearshift transmission, it is announced.

According to word received by Paquette Motors from West Coast headquarters at the assembly plant in Southern California, that factory has already been forced to step up production to meet the demand from all parts of the West.

New Desert Well Bank of America Really Steaming Increases Capital

Things are really just about boiling in the Desert Crest area near Desert Hot Springs.

William Tarbutton and Dick Korhill recently brought in a well there that really has hot water.

The water is said to be 200 degrees, just 12 short of the boiling point and curious visitors Sunday drank hot cups of coffee made at the well.

The owners named the steaming well Lucky Seven because it is the seventh hot water well at Desert Crest and because they started drilling for it on April 7 and celebrated the find May 7.

The next-hottest well in this area is the Susie C which produces water 185 degrees hot. The Salton Sea's boiling mud volcanoes emit boiling water and mud but are not considered as wells.

Hot wells in both Desert Crest and Desert Hot Springs are near the San Andreas Fault and residents of the area believe the hot water seeps up the fault from the burning bowels of the earth. Desert Hot Springs has eight high quality hot wells.

Full Ownership of Ports Sought

County Counsel William Meekey was authorized by supervisors to memorialize congress to give the county full ownership of airfields turned over by the government at the end of the war.

At present, the county has possession of the ports under agreement which provides that they be turned back under certain conditions and also gives the government supervision over the airports and equipment.

P. S. Electric Firm to Move

Offices of the Palm Springs Electric company will be moved from this city to Riverside soon, Homer Jenkins, owner, said this week.

In Riverside, the firm will be connected with the Coldren Electric company, one of the oldest in southern California. The Coldren company has been in business at the same location in the county seat since 1904.

Mrs. Jenkins and their son, aged 9, will move to Riverside with him sometime this month.

The local office at 375 Sunny Dunes road will remain open for some time, closing date to be announced later.

Jenkins, who has been in business here continuously except for three years off while in military service, said the move did not mean that the firm plans to discontinue its local business.

May Building Given New Boost

Two dwellings, two hotel units and apartment units were included in building operations for the past week giving the May building total a \$47,300 boost.

Permits were issued by the city building department to: William A. Foster, 824 Riverside drive, H. H. Foster, dwelling, \$11,000.

J. D. Lloyd, 261 Hermosa place, M. H. Libott, pool, \$4,000.

Lone Palm Hotel, 1276 North Indian, two units, \$2,500.

H. Pedicini, 675 Plaza Trail, Ralph Young, three apartments, \$24,000.

Propose New Straight Road To Desert Hot Springs Area

Proposals for a new road between Palm Springs and Desert Hot Springs were brought forward this week with the highway traversing the eastern section of Palm Springs and tying in with Tamarisk, Ramon and Highway 111 east of Sunrise Way. The highway would be a direct north and south straight road from Palms avenue and Dillon road in Desert Hot Springs to Highway 111.

Robert McDonald, Desert Hot Springs realtor, is head of a group backing the new highway.

IT COULD BE BUILT, they say, at considerable less cost than an overhead crossing over the Southern Pacific railway at Garnet station on Indian avenue.

It would cross the railroad tracks some distance east of the

depot and present crossing, at a point where there is plenty of visibility and only one railroad track.

WITH THE DISCOVERY of several more hot springs in the Desert Hot Springs area providing another desert asset for visitors here, local hotel men were being approached for support of the new highway.

Locally the plan was broached by Conky Conkwright, who was circulating a map of the proposed road among Villagers this week.

Announcing STUDEBAKER AUTOMATIC DRIVE

Newest and most advanced of all automatic transmissions!

IT'S here today! America's first fully perfected "no clutch—no gearshift" driving! The achievement of years of research and development by Studebaker and Borg-Warner engineers—the revolutionary new Studebaker Automatic Drive!

Technicians will tell you that this Studebaker Automatic Drive is the ideal combination of a torque converter and direct mechanical drive. But the way this amazing transmission works isn't half so important to most car owners as the certainty that it does work—superbly, smoothly and reliably!

Come in and try out this far advanced Studebaker Automatic Drive—without obligation—right away. It's extra cost—but it's the finest investment that anybody ever made in real motoring enjoyment!

No clutch pedal, of course—and you're safe right from the start! No clutching—no declutching—with Studebaker Automatic Drive. As car moves forward, you just feed the gas, steer and brake. Your Studebaker "shifts for itself"—makes gear changes automatically, quietly and smoothly. You keep the pointer on the steering post in "drive" position most of the time. But when you switch on the ignition, the engine will start only if you have first set the selector lever at "park" or "neutral."

Society

Social Highlights

MR. AND MRS. ROBERT S. HARGIS will entertain tomorrow afternoon at their home on North Palm Canyon drive with a cocktail party preceding the Rotary club's dinner dance at the Chi Chi. Guests will include retiring and incoming officers of the club who will be installed at the annual dinner. The cocktail party is a

Mrs. Robert S. Hargis

pleasant and traditional gesture of the Rotary club's retiring president who, this year, is Mr. Hargis. Guest of honor will be incoming president, Robert W. Peterson and Mrs. Peterson. Also bidden to the affair are Mr. and Mrs. Harry Harper, Mr. and Mrs. Carl Lykken, Mr. and Mrs. Henry Greeley, Mr. and Mrs. Frank Ewing, Mr. and Mrs. Stewart Williams, Father Robert Hogarth, Mr. and Mrs. Charles McGann (incoming Lions club president), Mr. and Mrs. Arthur Bailey, Mr. and Mrs. Bob Bennett, Mr. and Mrs. Wilson Gibbs, Mr. and Mrs. Hilton McCabe.

MRS. WILLIAM DUNKERLEY leaves for Los Angeles this weekend to spend her birthday with her parents, Mr. and Mrs. Carl Jackson and her sister Mrs. Van Tubergen and family. She will be joined on Sunday by Mr. Dunkerley.

Visiting the Dunkerley hacienda next weekend from Pasadena are Mr. Dunkerley's parents, Mr. and Mrs. William Dunkerley Sr. He was for many years the manager of the Pasadena Chamber of Commerce and active in establishing the now traditional Tournament of Roses and Rose Bowl game. His son is rounding out his second successful season as manager of the Palm Springs Chamber of Commerce.

Spring Trippers from Springs

WORD HAS BEEN RECEIVED from publisher and Mrs. Belmont Sanchez, married in Brentwood earlier this spring, from Bermuda where they are continuing an Eastern honeymoon. They will return to the home in Brentwood in late summer.

MR. AND MRS. J. CAROL (Luigi) Nash have just returned from a motor trip to the Grand Canyon with their daughter Elaine. Making busy preparations for a trip east to visit her parents in Boston is Mrs. William A. Mason who will spend the summer east with her young daughters Sally and Martha.

Spring Romance Department

DOROTHY GRAY, Rose Mints, Lou Peele and Irene Stevens will make a foursome to drive to Denver for the marriage of Mrs. Gray's niece on June 22nd. The Junebride, Miss Harriet Cohn, attended Stanford last year and was a recent Palm Springs visitor to pick up her trousseau at her aunt's famed clothes shop which bears her name. Miss Cohn will marry Joe Schwartz of Sacramento, who was the FIRST date she had at Stanford, with a large church wedding and reception to which more than 600 guests have been bidden.

STILL IN THE ROMANCE department, announcement has been made of the marriage in December, of Mrs. Violet Fowler and Frederick Watson. Both are Villagers of early days, Mr. Watson being co-owner with his sister, Mrs. Altha Wilson, of Indianoya and Mrs. Fowler recently elected to the presidency of the Palm Springs Woman's club. She is also soloist at Community church.

PUBLISHER AND MRS. OLIVER JAYNES took to the open road Friday in a spanking new Cadillac convertible with their destination Fort Lauderdale, Florida, where they will visit their daughter Mrs. John Colton (Nancy Jaynes) and their new granddaughter Nancy Dale. They will be joined by their younger daughter Janet, who has been attending private school near Fort Lauderdale, upon the close of school and will continue their trip on to New York City. Anticipated return: some time in July.

BRIDE-TO-BE — Patricia Jean Duncan, native of the Village and granddaughter of Mr. and Mrs. O. S. McKinney, who will wed Raymond Snowden of Upland in June.

Miss Duncan Weds in June

Mr. and Mrs. Burl Duncan of 740 Almond Way, Banning, announced the engagement of their daughter, Patricia Jean Duncan to Raymond Edward Snowden, son of Mr. and Mrs. J. Harry Snowden of 811 West 21st Street, Upland, at a birthday party given Saturday night at the home of Bayard Ellis. A June wedding is planned by the young couple.

The table decoration adding grace and beauty symbolic of the occasion was in the form of a large diamond engagement ring with two pink rose buds laved beside it. Miss Duncan is a native daughter, she was born in Palm Springs where her maternal grandparents, Mr. and Mrs. O. S. McKinney have lived since 1917. She attended Banning Schools. Her fiancé is a native son and received most of his schooling in Upland and Chaffey, graduating from Banning Union High with the class of '49.

DAR Picnics In Mountains

A picnic meeting of the Ca-huilla chapter of the Daughters of the American Revolution, was held at the mountain home of Dr. and Mrs. John Robertson Macartney, Forest Home, an Thursday morning looking more like a winter scene than a warm rays of the sun soon melted the snow on the roads and the day was fine. Twelve ladies surrounded the bountifully laden table at noon after which the meeting was held.

A very newsy report of the Continental Congress in Washington, D.C. was received from the club's delegate and former regent who attended, Mrs. Lutz and Mrs. McCarthy. The incoming regent, Mrs. Harry Brott presided at the meeting and named her committees for the coming year, the first meeting of which will be October 5.

Howards Leave For Summer Home
Mr. and Mrs. Elbert G. Howard and daughter, Dorothy, will leave Sunday for their summer home at Mt. Vernon Country Club, Denver, Colorado. They will return to Palm Springs next November.

Villager and Idaho Girl Plight Troth

Richard Glover Markham, son of Smoke Tree Ranch colonists Mr. and Mrs. Fred S. Markham, was married Saturday, April 29, to Miss Janet Louise (Jonne) Pearson, daughter of Mrs. Margaret Blackinger of Boise, Idaho. The marriage took place in St. Mary's Catholic church at Boise with a reception following at the home of the bride's mother.

The bride was attended by her sister, Miss Marilyn Pearson. Charles Markham of San Francisco, brother of the bridegroom, was best man and ushering were Edwin Rice of Palos Verdes, Cal., Joseph Russell of Pasadena, Dr. Richard Berg of Portland and Willard Regon of Boise. Mrs. Richard Wilcomb was soloist.

The bride was graduated from the University of Idaho where she was affiliated with Kappa Kappa Gamma social sorority. Mr. Markham attended Flint-ridge preparatory school in Pasadena and was graduated from the Institute of Technology and Stanford University.

The newlyweds left on a wedding trip to Honolulu. They will make their home near Anaheim, California.

Los Compadres Take Over at The Doll House

Tuesday night is Los Compadres night at the Doll House when the active organization meets for Mexican dinner and dancing through the cooperation of Compadres George and Ethel Strebe. Los Compadres will meet every Tuesday night during May.

Sunday night saw the group of horsemen and their ladies off on a moonlight steak broil to the site of the old Dunes club. Under discussion are plans for a four day trip the last of May with the route alternating between Pioneer Town to Big Bear or the Idyllwild trek. In charge of operations is Bob Bennett, el presidente, with Bernice Grant and Mary Smith in charge of commissary.

Barbara Connell Home from Long Hospital Stay

Barbara Connell, daughter of Mr. and Mrs. John Connell, was welcomed home with thankful hearts by her parents and friends last week after more than two months in the Queen of the Angels Hospital in Los Angeles.

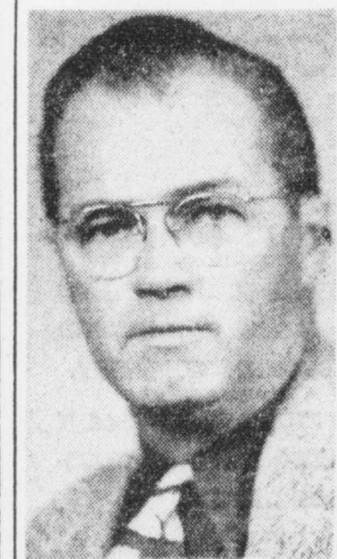

She was critically injured in an automobile accident two months ago and for many weeks did not regain consciousness. Her recovery is reported slow but consistently improving.

Roy Colegate Hosts Lions Before Party

Roy Colegate was host last Thursday for officers of the Lions Club and their wives with a pre-Lions Club dinner cocktail party. The party took place at the Doll House from which point the party adjourned to the annual banquet at the Palm House. Absent from festivities was Mrs. Colegate, who is in Riverside waiting for the arrival of a new member of the Colegate family.

Among guests, incoming president Charles McGann and Mrs. McGann; Mr. and Mrs. John Devine, Mr. and Mrs. Don Sloan, Mr. and Mrs. Earl Hough, Mr. and Mrs. Elly Windhurst, Mr. and Mrs. Tom Kieley, Mr. and Mrs. Charles La Rue, Roland Vaile, Mr. and Mrs. Joe Henderson, Mr. and Mrs. George Min-turn, Mr. and Mrs. Jimmy Cooper, Mr. and Mrs. Florian Boyd, Mr. and Mrs. Gus Kettmann, Mr. and Mrs. Harold West, Mr. and Mrs. Warren Slaughter, Mr. and Mrs. Raymond Cree, Mr. and Mrs. Al Weingarten, Mr. and Mrs. Ray Sorum.

Pool to Remain Open at Shadow Mountain Club

With Hawaiian night (Saturday, May 6) concluding the season's activities at Shadow Mountain Club, the club house and dining room is now closed until next fall. However, the pool, outdoor dining terraces, tennis courts and other facilities will remain open through the summer.

The same modified operation was carried on last summer and was popular with those who stay in the Coachella valley the year-round as well as members and guests who have discovered how delightful the desert can be in the summer months.

Lucian Shaws Host Cocktails

Mr. and Mrs. Lucian Shaw entertained Thursday with a pre-Rotary Club cocktail party at their home on Mesquite drive. Guests who got a pleasant and informal start on the night's festivities at the Rotary dinner dance, included Mr. and Mrs. Russell Rink, Mr. and Mrs. Newt Hotchkiss, Helen Todd and Bob McKenzie.

A merry no-host group which

Sammy Sontag and Mrs. Glen Austin, champagne winners in the Charleston contest at the Racquet Club's Firehouse Five party, Saturday night, accept their prize from Charles Farrell who is no mean Charleston dancer himself. Judges of the contest are left to right: Ella Logan, Greer Garson, Mousie Powell and Ann Rutherford. Seated in foreground is Master of Ceremonies, Roy Randolph.

Firehouse Five Closes Season At Racquet Club With Hot Party

Winter colonists rated the Racquet Club's closing party Saturday evening as the season's TOP dinner dance. The large octagonal supper room had one of the biggest and certainly gayest crowds of the season who gathered to dance to the music of the famed Firehouse Five (plus two), who rocked the roof with jump and jive.

Charleston stars making the most of the music included Virginia Farrell, Sammy Sontag with Mrs. Glenn Austin who won the prize for the best Charleston — Bob Schuyler and Jane Ford, who were runners-up. Judges of the contest were Greer Garson, May and Ella Logan, Mousie Powell and Ann Rutherford. Master of ceremonies was Roy Randolph, who had just returned as guest M. C. for the Charleston Night at the Mocambo. Singer Ella Logan stepped to the mike and sang a number of songs which drew much applause. At her table were Daisy Lukas, Miss Binnie Logan, Mrs. Lili Gubbins, Joe Benes and Mrs. Paul Benes, Mr. and Mrs. Ed Mauss Jr.

Mr. and Mrs. Farrell hosted a table which included Mr. and Mrs. Vincent Poire of Beverly Hills, Mr. and Mrs. Tom May, Mr. and Mrs. Charles Everts, Ann Rutherford and Mr. and Mrs. Alexander Hall.

A merry no-host group which

Piano Recital Tomorrow

Pupils of Mrs. Lois Lux will present a piano recital tomorrow at 4 p.m. at the Woman's clubhouse, it was announced this week.

The public is invited to attend. Besides the instrumental numbers, vocal numbers, dances and a trumpet solo are on the program.

Hotel man Norman, who recently purchased the Del Tah-quitz, spent the weekend in the Village with Mrs. Norman, visiting their son Henry Norman who is resident manager of the hotel.

President Roosevelt's Board said—**NO!**
President Truman's Board said—**NO!**
Still the leaders of the Railroad Firemen's Union say—**"STRIKE!"**

This ridiculous strike is an affront to every citizen of the nation. It's not for more money. It's not because of hours. It's only for soft **feather-bedding** spots for additional unnecessary firemen to go along in diesel locomotives just for the ride. A leading liberal newspaper calls the demands of the union leaders **"horse-feathers"!**

• The reckless leaders of the firemen's union want to force down the throats of the railroads and the public a ridiculous "make-work" proposal which has been twice ruled out by Presidential Fact Finding Boards duly appointed under the provisions of the Railway Labor Act.

This demand of union leaders for additional and unnecessary firemen to ride in diesel locomotives was rejected —after months of hearings—by a Board appointed by President Roosevelt in 1943.

It was again rejected in 1949 by a Board appointed by President Truman. Recent meetings with the National Mediation Board have brought no change in the attitude of the union dictators.

Union Leaders Defy Intent of Law
The union leaders helped write the Railway Labor Act. Yet in an attempt to jam through this scheme of pure

"feather-bedding" by leading the members of their union out on strike and threatening paralysis to large areas of the nation, they are defying the spirit and intent of the very law which they helped to create.

This strike is not for higher wages. It is a strike to force the railroads to employ many more thousands of firemen who are not needed! It would be indefensible waste. The railroads have refused to place this additional and unnecessary burden on the public.

But more important than any other consideration, is the action of these few irresponsible union leaders in seeking to force a crippling strike upon the

This strike is one of the silliest strikes in history!

What are these reckless union leaders trying to do? They seek to cause thousands of their members to strike, and throw hundreds of thousands of other employees on and off the railroads out of employment, with loss of pay to them and their families, plus a severe blow to industry and the citizens of the nation.

What's the strike all about? If the union has its way—what happens? The present members of the union won't get one cent more pay. They will merely have been assessed for a costly and indefensible drive in an attempt to provide more dues-paying members for the union by creating "feather-bedding" jobs for additional and unnecessary firemen. This is certainly one of the silliest strikes in history!

nation for their own selfish purposes. There is no other possible answer to such a demand but "No!"

The railroads in making such a reply believe they have the whole-hearted support of the people in whose interest they are willing to fight this out, despite the loss and inconvenience that all will suffer.

It is time to put an end to such un-American demands.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Society

Gay Hawaiian Party Closes Shadow Mountain Season

The romantic spirit of the South Seas took over at the Shadow Mountain Club Saturday evening when members and guests filled the club's dining room to capacity for the last party of the season. Flowers and hula dancers were flown direct from Hawaii to provide entertainment and fresh leis for everyone. It was one of the gayest of parties and the beautiful club was jammed with merry-makers who enjoyed the fine buffet dinner, the music and the special Hawaiian entertainment.

Adding to the gaiety of the evening was a large group of University of Southern California students and co-eds on an annual spring party.

The colorful affair marked the last party of the season in the main dining room, but the swimming pool and tennis courts and the poolside snack bar will be available all summer for club members and guests.

Community Church Board Is Honored With Dinner

Mr. and Mrs. William A. Lippman were hosts Tuesday evening for a spaghetti dinner in honor of Rev. and Mrs. James H. Blackstone Jr., and members of the governing board of Community Church. The delightful affair was a farewell party for Rev. Blackstone, who leaves Sunday night for the General Assembly in Cincinnati, to which he has been appointed a commissioner.

Guests included Rev. and Mrs. B. B. Weatherall, Rev. and Mrs. John Robertson Macartney, Mr. and Mrs. Carl Lykken, Mr. and Mrs. John W. Williams, Mr. and Mrs. John G. Hornel, Mr. and Mrs. Marvin Ostrander, Mr. and Mrs. Ross Blemling, Mr. and Mrs. Donald E. Cole, Mr. and Mrs. George B. Davies, Mr. and Mrs. Gordon D. Nicholson, Mr. and Mrs. Charles F. Henderson, Mr. and Mrs. William Lux, Mr. and Mrs. Charles McDonald, Mr. and Mrs. Lewis C. Duncan, Mr. and Mrs. Frank W. Miller, Miss Katherine Finchy, Miss Maude McQuillan, Mrs. Sylvia Cheney, Mrs. Ethel Minnis of San Jose.

Joseph Borroughs III, to Wed San Francisco Girl on July 10

Announcement was made in San Francisco this week of the engagement of Joseph N. Borroughs, III, son of winter colonists Mr. and Mrs. J. N. Borroughs of Piedmont, and Miss Georgianna Peters, daughter of Mr. and Mrs. Alfred Peters of San Francisco.

The announcement took place at Miss Peters' sorority house, Alpha Phi, on the campus of University of California at Berkeley where she is a student, and later that afternoon at a cocktail party at the home of her parents in San Francisco in honor of the newly engaged couple. The marriage will take place in San Francisco on July 10.

Mr. Borroughs is a graduate of Thacher and served in the navy during the last war. He is a graduate of University of California and a member of Zeta Psi. He is presently engaged in business in San Francisco with his father and is a member of the Bachelors' club of that city. He and Miss Peters were guests at the Borroughs' winter colony home on Camino el Mirasol earlier this season. His only sister is Mrs. Robert C. Hoover, a bride of last season.

Following the July wedding the newly weds will honeymoon in Hawaii. They first met two years ago when both were passengers on the Lurline en route to the Islands.

Members of the Racquet Club staff held their annual play day Monday when the club's dining room closed for the season. The tennis courts, pool and bar will continue operating until later this spring. The staff's annual tennis tournament was won by club manager Sherman Hull. Tournament players who received prizes from club resident Greer Garson were, left to right, standing: Marj Pohl, Greer Garson, Metta Elbert, Charlie Farrell, Buddy Fogelson, Sherman Hull, Betty Plowden and Bill Meredith. Seated, left to right: Mousie Powell, Sy Hodgen, Tex Gregg and Hart Hickman.

Racquet Club Staff Takes Over for Day

It was staff day at the Racquet Club Monday when the club's facilities were turned over to members of the staff for tennis and dinner dancing. The staff tennis tournament winners and runners-up received handsome prizes from Greer Garson, who presented them. Sherman Hull, club manager, captured the singles with Sy Hodgen runner-up. Doubles winners were Tex Gregg and Hart Hickman, with runners-up Betty Plowden and Bill Meredith. Women's singles were won by Mette Ehlert with Marge Pohl runner-up.

Leaving next week for a summer near Yosemite is Lillian Lowry.

Duffeys Planning Farewell Affair

Constable Fred Duffey and Mrs. Duffey are planning to host a going-away buffet luncheon for employees of Desmond's Sunday at their home here. Desmond's will close its doors tomorrow and the luncheon is expected to follow inventory of the establishment's stock.

I haven't any cooking secrets
 ...just a new automatic GAS RANGE

The 1950 models make cooking "easy as pie" even for beginners!

You can follow any good recipe exactly when you have a new automatic gas range. You know that your oven, for example, will stay at the specified temperature all during baking. Or if you're doing top-of-range cooking, there's no whisking a pan off the burner to prevent boiling-over. You just turn the burner down and boiling subsides at once. My suggestion... if you want your cooking to be better and easier... see the new automatic gas ranges at dealers' or your Gas Company. You'll find a model to suit your individual needs. The prices... they're good news, too. New gas ranges cost less to buy... less to operate!

Among the many makes of gas ranges on display is this beautiful new **WESTERN-HOLLY**... a CP model. Others you'll see include Caloric, Gaffers & Sattler, Grand, Hardwick, Magic Chef, Maytag, Occidental, O'Keefe & Merritt, Roper, Tappan, Wedgewood.

GAS RANGE

SOUTHERN CALIFORNIA GAS COMPANY

ALOHA PARTY held at the Shadow Mountain Club Saturday was a glittering affair marking the close of the winter season at Palm Desert and the beginning of the summer schedule of events: leis, sarongs and Hawaiian shirts adorning those attending the pictured above are left to right: Max Gillis, highways administrative assistant to the county road commissioner; Ruth Greaves, H. L. (Hank) Goerly, Maxine Kagnon, Jr. King, Mary Branch, Maku Awana and County Road Commissioner A. C. Keith almost hidden from view. Kneeling in the front row is Cliff Henderson, president of the Palm Desert Corporation and Don Cameron, realtor. (Willis Photo.)

AROUND THE VILLAGE IN SIX MINUTES

Palm Springs got a new Tennis Champ Sunday at the Racquet Club when Don Williams, a native son of Palm Springs, tore the crown from the invincible Harry Plymire in the semifinals, and from Gus Kettmann in the finals. Don Williams, son of Mr. and Mrs. John W. Williams, started in his first grade of school in Palm Springs and graduated from high school here. He is now a junior at Redlands University and the school's number one tennis player. He had just returned from the Ojai tournament when he played here, in which he won the singles for Redlands. Memo to the very young: He was NEVER late during his eight years in grammar school and NEVER absent!! — Maybe that was really a memo to the parents of the young.

Mr. and Mrs. Williams will be off on the 26th to Hawaii with their daughter Helen Louise, the successful social director of the Desert Inn. They will fly back in July and spend the rest of the summer at their cabin in Idyllwild.

On Publicity
 And speaking of publicity, which nobody was, but we'd like to start right now—Palm Springs is a wonderful place to raise kids. Too often it is represented by irresponsible columnists such as Mario Montez and his ilk, as a community of gay wastrels leading lives devoted to abandoned merry making. This is fortunately true to some extent, but not all the way. The core of the community is singularly stable and well balanced. One thinks of a resort as shifting in population—here today and gone tomorrow, but that is not true of Palm Springs. The old guard is still on deck, most of them in good health and good spirits. They have met the customary reverses in life, but in a climate like this, they seem to be easier to take. Palm Springs' stability is not the least of its virtues, and that's for true.

We were just wondering who will be the first customer served by the new Firehouse toiletries—probably Zaddie Bunker, she was the first depositor in the Bank of America's old building and the first depositor in the new building. Had her picture taken both times. As long as it HAS to be in the Firehouse, the least the city can do would be to get the Firehouse Five (plus two) down to serenade the populace. Free beer would also not be amiss for the official opening. That way, everything would get off to a fast start.

Goings and Comings
 Most of the social news around town concerns the goings and comings of the citizenry. The Herb Fritzlaufs were off to Europe following a buffet supper given by the Herb Fosters. . . George Strebe went up to the jaycee convention in San Jose and took the Guadalajara trio with him, also serenaded the riders on the Santa Barbara Rancheros Vistadores. . . Every body and his dog was up at the depot Saturday bidding bon voyage to Barbara and Earl Coffman who took the Southern Pacific rattler East. Francis Crocker arrived complete with orchids for Barbara which gave the windblown, but highly social occasion the final touch of social grace. On hand were the Frank Bennetts, Polly Isenagie, Earl Strebe, Harry Harpers, Jim Geggies and many others. All in all, a merry assembly.

Barbara and Barney Hinkle will host a barbecue supper party Saturday night of the informal type so popular when Villagers get-together in the late spring. Their guests include Mr. and Mrs. Harold Hicks, Mary Jane Hicks and Ernie Dunlevie, Mr. and Mrs. Jack Gorham, Mr. and Mrs. Stewart Williams and Mr. and Mrs. Lucian Shaw.

Burkes Hosts At Buffet

Mr. and Mrs. Stephen P. Burke entertained Sunday evening with a cocktail party and buffet supper at their hacienda on Camino Baragone. They will remain in Palm Springs through May then return to their home in Yakima, Washington.

Sunday evening's guests included Mr. and Mrs. John Lapp, Mr. and Mrs. A. Stanley-Jones, Mrs. Louise Hennes, Miss Theresa Fields, John Connors, Mrs. Allen Hayes and Mrs. Marie Mulvey of Long Beach and Mrs. K. Kissinger from Yakima.

Kathie Clifton Village Visitor

Driving down from Los Angeles for the day yesterday was Mrs. Bacon L. Clifton, former winter colony resident, who was a luncheon guest at the Racquet Club of Mrs. Harold Hicks.

Partying at the Bombay Thursday evening were Mr. and Mrs. Stewart Pickering who celebrated their eighth wedding anniversary. Well wishing guests included Mrs. Kay Yeager, Paul Douglas and Mr. Caruso.

4 Initiated Into Legion Auxiliary At Ceremonies

The impressive initiation ceremony of the American Legion Auxiliary was conducted on Tuesday evening by Department Sergeant at Arms Mrs. Harold Lineau when Mrs. Don Miller, Mrs. Ray Luby, Mrs. K. L. Moyer and Mrs. L. A. Dedrick were received into membership. The occasion was the highlight of the regular meeting of Owen Coffman Unit 519 of the American Legion Auxiliary and was held at Vars Memorial building with president Mrs. Charles Henderson in the chair.

During the meeting reports were presented of recent activities including the Girl Scout carnival, the Commanders Ball and the district meeting recently held at Beaumont. Mrs. H. H. Menard presented a brief report of the district meeting which stressed the need of more aid to the hospitalized veteran. In response to this plea it was agreed to send a contribution to the twenty first district for the modernization and redecoration of

Rev. Blackstone Leaves for East And Assembly

The Rev. James H. Blackstone Jr., pastor of Community church, will leave Monday morning to attend the General Assembly of the Presbyterian Church of the United States to which he has been elected a delegate from the Riverside Presbytery. The assembly meets in Cincinnati, Ohio, opening with a conference on Evangelism on May 16 and closing its sessions on May 25. Mr. Blackstone expects to return to Palm Springs by June, and will be in the pulpit throughout that month before leaving for his vacation at the end of June.

Gold Star Dinner Set for May 25

Mrs. J. J. Follansbee has accepted the chairmanship of the dinner and reception set for Saturday, May 20, at the Vars Memorial Building, Belardo road, on the occasion of the event honoring the families of those who gave their lives during the two great conflicts. The event is held annually by the American Legion and its Auxiliary.

The program this year will include the dinner and a specially arranged program of entertainment, and invitations will be extended to all Gold Star families in the community.

Mrs. Follansbee is being assisted by Mrs. Hilton McCabe, Mrs. Irene Cornell, Mrs. Don Allen and Mrs. L. W. Richards. Reservations should be made by calling either Mrs. Follansbee at 7455 or Mrs. McCabe at 25653.

The Cancer Solarium at West Los Angeles.

Mrs. J. Morrison asked for volunteers for the annual Poppy sale which will be on Friday, May 26. While enjoying refreshments the members opened the poppies.

Mothers Day at St. Paul's Church

Mothers Day will be observed at the Episcopal church, St. Paul's in the Desert, with special music and sermon by the rector, the Rev. Robert Hogarth, on the "Christian Family Ideal." Many good Christians feel these days are all right in principle, but that modern life demands a serious and prayerful consideration of the larger concept of the family. The increase in the number of broken homes today. Sloppy sentimentality about mothers, who don't really want that sort of thing, doesn't help in building a Christian family," said the rector.

At the 9:30 Sunday School Family Service children are asked to bring their mothers, if possible, both parents. Holy Communion will be celebrated on Sunday at 8:00 and on Thursday at 10:00 a.m. with healing prayers.

Members from Palm Springs attended the Episcopal convocation at All Saints, Riverside, on Tuesday, where Bishop Bloy and Miss Margaret Wherry, administrator of the Episcopal hospital of the Good Samaritan, were the principal speakers.

From Page One—MORE ABOUT
HOSPITAL

Architects Clark and Frey and Williams, Williams and Williams, the new hospital structure will be so built that structural additions providing for the care of 100 patients can be easily added without taxing the central unit consisting of the administration office, dining rooms, kitchens, surgery and other auxiliary departments pertinent to the operation of a modern hospital.

AMONG THOSE present at the ground breaking ceremony were Councilman Florian Boyd and Riverside County Health Nurse Madge Holderman. It was Nurse Holderman who first broached the subject of building a hospital for Palm Springs years ago before a meeting of the Palm Springs Lions Club. It was Florian Boyd on his return from naval duty during World War II, who as chairman of the Community Hospital campaign for money with which to build a hospital carried that drive to such a great success.

Assistance and guidance in the planning of the new hospital was given by Walter Mezer, special consultant in such construction.

Absent from the ground-breaking ceremony due to the press of business in Chicago was Ernie Alschuler, past president of the Palm Springs Community Hospital and one of the moving spirits behind the construction of the presently proposed hospital. Connors called Alschuler via long distance telephone from Palm Springs to invite him to be present.

Woman Reports Loss Of Valuable Ring

Diamond ring worth \$1500 was reported lost by Vida Woetz, Los Angeles, this week.

Mrs. Woetz told police that after breakfast in a local cafe she went to the wash room and later discovered the ring missing. A search of the room failed to locate the ring.

Special Mothers Day Services

A special Mother's Day program will be presented Sunday at Community church by the Sunday school during the church hour. Visitors and friends are asked to note the change in time for the morning worship service which will begin at 10:30 a.m. this Sunday only. The program will include songs, recitations and a short play given by the various departments of the school with the pastor, the Rev. James H. Blackstone Jr., presenting a closing tribute to Christian Motherhood. Mrs. William Veith, general superintendent, is in charge of the program.

At 6:30 p.m. the two Christian Endeavor societies will entertain the mothers of the young people at an informal tea. A short devotional and special music will be provided by members of a Gospel Team from Redlands University.

The evening service at 7:30 will be conducted by Frank Anderson, Marge Hurlbut, Marilyn McKenzie, Rae McClellan, Nancy MacPherson, Myron Erickson, Larry Rae and Bill Joiner, who are members of the Gospel Team from Redlands University, sponsored by Prof. Ward Miller.

Sunday School at Community church commences at 9:45 a.m., with classes of instruction for children and adults.

Shadow Mountain Club had record crowds over this past weekend, marking the closing of the club house and dining room and the opening of the summer season. Over 600 people thronged into the dining room and bar for the Hawaiian Party Saturday night, dressed in colorful sarongs, traditional grass skirts and beachcomber outfits of all descriptions. It was a gay and successful party—everyone making the most of the last weekend of the 1949-50 season which had to come eventually. Vanda orchids flown especially from Hawaii were presented to each lady and beautiful leis were given to all. The Art Todds and Michael Barton outdid themselves with their scintillating music. Authenticity was given the affair, thanks to Hank Gogerty of Desert Air Park, who imported a dancer from Hawaii to give members and their guests the thrill of watching her performance of the graceful and rhythmic dances of her land. Even Hank danced a special number of his own to the Hawaiian war chant.

In addition to the Hawaiian dancer, little Susan MacDonald, 12-year-old granddaughter of Club Member Dora L. Huffaker of Palm Springs, danced an Hawaiian dance. She wore a beautiful silver skirt, had red roses in her hair and at her waist. She was terrific and the crowd went wild, applauding and calling her back onto the dance floor to do a second number.

Amongst the merrymakers were the M. O. Andersons of

Seattle, Mr. and Mrs. Earl Gilmore of Los Angeles, who spent the weekend in their new Sun Lodge, the P. K. Nichols of Pasadena and Palm Desert, entertained by Maurice and Fran Johnson of Palm Desert. The Tommy Tomsons of Pacific Palisades and their daughter Duchess, the J. F. O'Connors of Los Angeles, Mr. and Mrs. Donald Stevning from Redlands, the Arthur Lakes, Mr. and Mrs. N. Dushane Hyson of Redlands, our old friend, Don Cameron and Mr. and Mrs. W. H. Riley of the House of Riley, Palm Desert and A. A. whose presence at the club was very welcome, since they have been unable to visit the desert as often as we would have liked.

Janet Dee of Santa Monica, who has brought her famed water ballet to Shadow Mountain Club on many occasions, brought part of her group to entertain during the afternoon and to dance in the club house during the evening. An added surprise of the evening was our own Marjorie Simonson of Seattle, and secretary to Art Chapman, who was persuaded to sing by her friends who know the lovely quality of her voice.

Over 150 young people from the University of Southern California spent Saturday and Sunday at the Club and enjoyed early dinner Saturday evening before the festivities of the Hawaiian party. A Redlands University fraternity also elected to spend Saturday enjoying the facilities of the Club and on Sunday morning about a hundred members of the Aviation Breakfast Club flew down to Palm Desert to have breakfast at Shadow Mountain amongst them a number from the Long Beach Chamber of Commerce.

It was a big weekend, with a splendid water show presented by Kris Kristiansen and the water ballet by Janet Dee. It will be long remembered by members and their guests, many of whom are planning to come down often throughout the summer to enjoy the desert at this time of year. Dinners will be served on the terrace from the poolside snack bar, which will be managed by Mr. and Mrs. Mill Hunter of Seattle and Long Beach, and the Truman Stadium, popular Shadow Mountain Sun Shop will continue to operate.

There will be evenings of movies under the stars and hours of relaxation for those valley residents who will take advantage of the special summer guest privileges the club has provided for the next few months, making available to them the beautiful swimming pool and fine tennis courts.

On Saturday, May 6, another poolside wedding took place at Shadow Mountain Club, the bride the former Miss Betty Jean Job of Arcadia—the groom Dr. H. Clyde Washburn from El Monte. They were married by Rev. Dr. John Robertson Macartney, their attendants being Dr. and Mrs. John B. James and Mr. and Mrs. James J. Davis of El Monte. The newlyweds are spending their honeymoon in Palm Desert, staying at the Fred Talbot's Sun and Shadows.

The Warner Brothers latest picture, "The Damned Don't Cry," starring Joan Crawford, David Brian and Steve Cochran, will be of particular interest to Club members, since it was

And on Sunday, it's HER Day

Palm Desert Sunbeams By EDITH EDDY WARD

filmed right in this area. There are some interesting scenes taken right in the club house, which looks lovely, and a brief, but beautiful shot of the swimming pool and surrounding terraces. Also shown are shots of the Bothof residence, Frank Sinatra's Palm Springs home and our famous mountains and desert roads. The story is good and there is some fine acting. The picture has been showing in Palm Springs this week.

Cinco de Mayo Draws Crowds

Enthusiastic crowds helped the Mexican colony make its first official celebration of Cinco de Mayo last Sunday a big success. A little bit of old Mexico was transplanted beside Our Lady of Guadalupe church on the Indian Reservation and the scene was visited by hundreds of Villagers.

They went from booth to booth, constructed by the parishioners of the Church purchasing tacos, tamales, enchiladas and other Mexican foods prepared by the women of the Mexican colony.

All of the proceeds went into the coffers of the little Reservation church pastored by Rev. Ramon Klumbis. The money will be used in reducing the cost of building the church. Mrs. Anna Gonzales, chairman of the event announced.

Son of Villagers Succumbs in East

Mr. and Mrs. Val Blatz, home owners and long time Villagers are in Milwaukee, Wisconsin, following the death of their son, Dr. Valentine Blatz, IV, 30 after a protracted illness of more than four years.

Religious rites were held Tuesday in St. Gerome, Catholic church, at Oconomowoc, Wis., where the interment took place as well.

The young doctor is survived by his parents, four sisters and one brother. One sister, Mrs. Jack McCoy, resides in Palm Springs throughout the year. Mr. and Mrs. Val Blatz plan to return to Palm Springs within the near future, in order to close their home for the summer.

Elizabeth Taylor Film on Screen Here Next Week

Elizabeth Taylor, currently Hollywood's most famous bride, now honeymooning with bridegroom Conrad "Nick" Hilton Jr. (son of the hotel tycoon, comes to the screen of the Village Palm Springs theater next week in her latest movie, MGM's "Conspirator."

Miss Taylor co-stars with Robert Taylor in the film, a suspenseful drama of Wartime London.

"Conspirator," which is considered a transitional picture for Elizabeth Taylor, marks the young actress's emergence into the adult class without the growing pains which usually are apparent when a mature role is given a former adolescent star.

The picture, which was filmed in London, portrays Miss Taylor as the young American wife of Robert Taylor (playing the role of a Major in the Royal Fusilier Guards).

When Miss Taylor discovers her husband is a Communist, he is ordered by his Soviet superiors to kill her. A surprise ending and a well directed suspenseful plot gives "Conspirator" a thrill sequence seldom experienced in a movie of its type.

Martin and Castro Win Honors Again

It was 1949 all over again in the 1950 Local Yokel and Caddies golf tournament at O'Donnell Golf Course Monday and Tuesday.

Pat Martin, 1949 Local Yokel, repeated as did Charles Castro, 1949 caddy champion.

Martin topped the Local Yokels with 138 gross, four strokes ahead of Al Gardello and Joe Ezar, who wound up with 142s. Dr. William C. McBride was fourth with 146, then Righty Vight, 148 and M. R. (Smitty) Smith with 150.

Low net honors were won by George Zolgenilis, 127, who finished four lengths ahead of Frank Bendetti, who had 131. Jimmy Mack, Bob McIntyre and Ernie LaFleur tied for third with 135s; next came Bob Burke and George Paccini with 136s and Rube Kulla, Morry Mack with 137s.

Fifty-five Local Yokels swung clubs in that tournament and 30 caddies took part in their joust. It was one of the largest fields in the event's history.

A big barbecue on the course followed the event with plenty of refreshments and an exhibition of trick shots by Joe Ezar. All in all, it was a rousing success.

Craftsman Hall Dance Tonight

The Ladies' Auxiliary, 578, of the Carpenters' Union, will stage a dance tonight at Craftsman's Hall, 399 Radio road, at 8 p.m. It was announced Tuesday. It will be their first dance in the new hall which was recently formally opened.

Admission is by donation of 50 cents.

THE WINNER—Housewife, mother of two children, Mrs. Kay King, Indio winner of the first annual Salton Sea Air Cruise sponsored by the Palm Springs Airport receives the Jacqueline Cochran award from Mrs. Mary Nelson, manager of the airfield. Left to right: Mrs. Nelson, Mrs. King, her 10-year-old son Robert who flew with his mother and Max I. Black, one of the judges and field representative of the California Aeronautic Association. (News Photo.)

Indio Woman Wins First Local Salton Sea Air Cruise

First Salton Sea Air Cruise held last Sunday between the Palm Springs airport and Brawley was won by an Indio woman, mother of two children, and the only flyer in her family.

She won from a field of 19 aviators. Mrs. Kay King, Box 1054, Indio, flying against her own estimated time for a distance of 165.3 miles came within 17 seconds of her plotted time to win a cash prize of \$250 and Jacqueline Cochran's perpetual air cruise trophy.

C. E. WILSON, Banning, was adjudged second in the flight, overlapping his time by 47 seconds. He flew an Army Basic Trainer 13. C. W. Walker, Coronado, who missed his time by 47 seconds placed third flying a Swift.

Each ship had to carry its complement of passengers for which the ship was designed. A penalty of 30 seconds was applied against any pilot who flew with an empty seat, but all earned passengers. It was reported. Flying with Mrs. Kay was her son Robert 10; Jim Pendergast and Ben Cargill also of Indio.

THE COURSE led from the Palm Springs Airport to the Brawley Airport with two plotted courses to and from the airport here outlined for the contestants. Each pilot had to estimate the time of his arrival over one leg of the

Fish Fry Great Success is Word

"It was a great occasion and I want to thank all of those who attended and who helped out in our annual Fish Fry last Saturday night," said Carl Keene, president of Palm Springs Sportsmen, Inc., who sponsor the event each year.

More than 500 turned out for the event and the universal expression was that it was better and more comfortable than ever before.

Tom Holland captured the main prize of the evening—horse and saddle and all equipment. Harold Whitney was awarded the barbecue grill.

"I think everybody liked the event—and if any have any suggestions, let us know and we'll incorporate them in next year's event," said Keene.

Williams Wins Singles Title in Village Tourney

Don Williams, former high school net star, now No. 1 on the Redlands University team, was the new men's singles tennis champion of Palm Springs.

He succeeds Harry Plymire whom he eliminated in the semi-finals. Williams won from Chief of Police A. G. Kettmann in the finals 6-3, 6-1. Sunday at the Regquet Club.

It was the first time since 1947 that Plymire had not walked off with the honors.

PLYMIRE, WHO HELD singles' title for three years, also shared the men's doubles title with Mayor Charles Farrell and the mixed doubles title with Mrs. William Powell.

In the latter event, he successfully defended his title but in the men's doubles, Plymire and the mayor bowed to Chief of Police A. G. Kettmann and Harold Hicks in a hot-fought match. The chief and Hicks, winners in 1947, had been runners-up to Plymire and Farrell the past two years but regained their crown Sunday, 7-5, 5-7, 7-5.

IN THE MIXED doubles, Plymire and Mrs. Powell defeated Mr. and Mrs. Alan Allen 6-3, 6-0, salvaging part of the glory of past years.

Finals in the women's singles will be played later this week with Mrs. Dorothy Allen to meet the winner of the semi-finals match between Maxine Gearhart and Frances Nunan.

Semi-finals in the men's singles produced lots of excitement when Williams knocked Plymire out of his long-standing honors 3-6, 7-5, 6-3 and Chief Kettmann defeated Rolly Valle, 6-4, 9-7.

Asked how she was able to compute her time so closely to the actual elapsed time Mrs. Kay said:

"I made a dry run over the course early in the morning and clocked my time. Then when I made my entry I played that the same flying conditions would still prevail."

Mrs. Mary Nelson, manager of the Palm Springs Airport said that the Air Cruise was the first of many that will follow each year.

"The contest Sunday," Mrs. Nelson said, "aimed at checking a pilot's ability to follow a time schedule which he himself has set up."

Mrs. Nelson who acted as judge was assisted by Max I. Black, field representative of the California Aeronautics Commission, Burbank, and Harold Bromley, chief of the Airman's division, sixth region, Civil Aeronautic Authority, Los Angeles Municipal Airport.

Vacationing over the weekend in the Village was Dancer Eddie Searles who is working in the picture Tea for Two.

Summer Softball Season to Start June 5, Decision

Summer softball season will swing into action Monday night when first practice sessions are held on the old diamond. Actual league play is slated to start June 5. There will either be an eight-club local league or two smaller leagues, one all local and one a Coachella Valley loop.

Managers met with Bob Bennett, recreation director, and discussed preliminary plans last week. Tentatively, eight teams are represented locally but plans were mulled over for two leagues, a local and a Coachella Valley league with three of the top local squads competing with Indio and Coachella.

It was decided that boys and girls leagues will use the old diamond which will also be used for practice sessions.

Represented at the meeting were Mexican Colony by Johnny Herrera; American Legion Post 615, formerly the White Sox H. C. Cooper, manager; Junior Chamber of Commerce, Ed Hawkins; Desert Hot Springs, Frank Gaudin; Palm Springs Merchants, Joe Sanderfer Jr.; Cathedral City, Al Burnough; Owen Coffman post, American Legion, Don Allen, Youth Center, Les Jackson.

Off to Europe for the summer are winter colony residents Mr. and Mrs. Maxim Van Cleef. They will be back next fall.

Indians Win Wild Game

Don Henson's three-hitter gave Palm Springs high school Indians their second league victory in the Riverside County loop last week with one game to go—against Elsinore.

The Indians tripped San Jacinto 19 to four with a 17-hit onslaught. The game was played at San Jacinto.

It left Palm Springs tied for fifth place in the league.

Standings at the end of the sixth round were:	W	L	Pct.
Coachella	6	0	1000
Elsinore	5	1	833
Hemet	4	2	667
Banning	3	3	500
Beaumont	2	4	333
Palm Springs	2	4	333
San Jacinto	1	5	166
Perris	0	6	000

Junior College Plans Discussed

Preliminary plans for establishment of a Junior College for the desert area were discussed last week at the home of Dr. G. A. Hoff, superintendent for Palm Springs Unified School with indications that if a Junior college is established it will embrace Palm Springs and the Coachella valley area.

Beaumont and Banning were represented at the meeting but opposed the idea of a joint col-

Palm Springs Hi Wins Swim Title In Initial Meet

Playing host to Coachella and Hemet in Riverside County League's first swimming meet, Palm Springs high copped its first loop title by taking all three divisions of the event.

In the Varsity class, Palm Springs scored 63 points to Hemet's 59 and Coachella's 19. The Indian Bs took their division with 75 points to Hemet's 52 and Coachella's 7. In the C class, Palm Springs won with 40 while Hemet had 26, Coachella 24.

Grand total for the meet was: Palm Springs, 178, Hemet, 137, Coachella, 50.

Palm Springs won 16 of the 23 events and therefore holds 16 records to be shot at in subsequent annual meets.

Indian winners went to Beverly Hills Wednesday night for qualifying rounds for the state meet and for the first time

lege district taking in that area as they felt they were close enough to Riverside, San Bernardino and Chaffey junior colleges and did not need the additional facilities.

Coachella educators, however, were interested in the proposal. Study of the situation will continue and if the need is definitely established, an election on formation of a Junior college district will be sought.

Palm Springs will be represented in that event, Barton Arakelian, who won two events in the county meet, was the only Indian to qualify Wednesday for the state meet. He will go to the event tonight with Wayland Reynolds, high school swimming coach.

Barton Arakelian and Wesley Martin of the Indians were double winners.

Chaffey Alumni to Rally June 3

Invitation was extended to local alumni of Chaffey Junior College at Ontario to attend a reunion dinner-dance at the new Student Union building there on June 3.
